Blue Chicago David Grazian,2005-09-30 In this work David Grazian takes the reader inside the world of contemporary urban blues to explore the quest for authenticity that the blues inspires *Blue in Chicago* Bette Howland,2020-07-14 The work of a woman who has invested her life in her art and who will I think be remembered as one of the significant writers of her generation Saul Bellow *Blue in Chicago* collects together the sharp bittersweet stories of Bette Howland and restores to our bookshelves an extraordinarily gifted writer who was recognized as a major talent before all but disappearing from public view for decades until nearly the end of her life Bette Howland was an outsider an intellectual from a working class neighborhood in Chicago a divorcee and single mother to the disapproval of her family an artist chipped away at by poverty and perfection Each of these sides of her life plays a shaping role in her work Mining her most precarious struggles for her art in each of these stories she chronicles the fears and hopes of her generation *Blue in Chicago* and other stories introduces UK readers to a wry brilliant observer and a writer of great empathy and sly joyous humor Published in the US under the title *Calm Sea and Prosperous Voyage* If there s a Howland bandwagon and there should be hold me a seat or I ll stand No problem I ll stand *Paris Review* **Blue in Chicago** Bette Howland,1978 Chicago a partitioned city walled and wired is the place and Bette Howland s blue collar working class Jewish family are the people In a city torn by racial tensions poverty and decay they represent the less glamorous but more enduring aspects of urban life There is the Bobbe the fiercely independent grandmother and proud family matriarch who watches the world go by from the lobby of her apartment building and who in an intensely moving finale surmounts the indignity of dying And Uncle Rudy an obstinate and unpredictable force out of the mainstream a Jewish cop alienated from the rest of his family In a Chicago as blue as distances Bette Howland introduces us to the other victims the tired the old the counted out Unacknowledged frustrated battered these are the people who are silent but not necessarily a majority Above all they are the survivors in a world where love and reproach are inextricably connected It is impossible to remain unmoved by the people Bette Howland knows and describes in this chronicle *Blue in Chicago* captures not only the pulse of a city in the midst of change but more importantly the pulse of the human heartbeat
