*Develop a Winning Attitude* Dennis Burke,1998-01-01 Attitudes not circumstances make the difference for those who overcome even the toughest situations God made us to be winners unfortunately too many have been conditioned to lose We can be winners if we choose to nurture an attitude that releases the power of God instead of one that keeps us confined to fear and failure Your willingness to line your thinking up with what God has said will set the course for success or failure That s because what happens in you is much more important to your success than what happens to you Just as surely as success begins with an attitude failure does as well A winner is not someone who has never suffered a setback He is someone who knows that when the setback comes he must get up and continue forward If you refuse to quit you cannot lose Quitting is not an option but change is always a part of the winner s life The good news is anyone who is willing to change can develop a winning attitude
