Increasing Family Satisfaction Marilyn Taylor,1989 **Raising Self-Reliant Children in a Self-Indulgent World** H. Stephen Glenn,Jane Nelsen, Ed.D.,2010-12-08 No parent or educator can afford to ignore this groundbreaking work Bestselling authors H Stephen Glenn and Jane Nelsen have helped hundreds of thousands of parents raise capable independent children with Raising Self Reliant Children in a Self Indulgent World On its tenth anniversary this parenting classic returns with fresh up to date information to offer you inspiring and workable ideas for developing a trusting relationship with children as well as the skills to implement the necessary discipline to help your child become a responsible adult Those who think in terms of leniency versus strictness will be surprised This book goes beyond these issues to teach children to be responsible and self reliant not through outer directed concerns such as fear and intimidation but through inner directed behavior such as feeling accountable for one s commitments Inside you ll discover how to instill character building values and traits in your child that last a lifetime During these turbulent days when families are in disarray and children are getting the short end of the stick this book can be very helpful to parents who are struggling to bring up self reliant children Even after raising five of my own and becoming a grandfather for the seventh time I got some new ideas out of it Art Linkletter An inspiring workable formula for developing closeness trust dignity and respect a real gem Becky Ridgeway School Social Worker Developing Capable Young People H. Stephen Glenn,1997 **An Evaluation of the Effectiveness of Stephen Glenn's "developing Capable Young People" in Changing Parents' Locus of Control** Richard Whiting,1989 **Teachers DO Make a Difference** Judith A. Deiro,2005 Acknowledging that teachers make a difference not only to what students learn about content but what they learn about life this volume offers discussion of topics including setting high expectations for students conveying confidence creating classroom rituals traditions much more

Assessing and Teaching Reading Composition and Writing, 3-5, Vol. 4 K. Michael Hibbard,2013-09-27 The performance tasks in this book are linked directly to instructional strategies and include holistic rubrics analytic rubrics and assessment lists They can be photocopied and distributed to your students Included in this series are 98 performance tasks 196 assessment lists 18 holistic rubrics 30 analytic rubrics and 88 graphic organizers **Zest for Learning** Bill Lucas,Ellen Spencer,2020-03-23 In Zest for Learning Developing curious learners who relish real world challenges Bill Lucas and Ellen Spencer explore the ways in which teachers can help their pupils to find their passions develop independence and challenge themselves to become more expansive learners Young people need more than subject knowledge in order to thrive they need capabilities The Pedagogy for a Changing World series details which capabilities matter and how schools can develop them A key capability is zest the curiosity and desire to experience new things Zest for Learning offers a powerful new synthesis of thinking about what it takes for young people to flourish both in education and in the wider world especially at a time when preparing them for life beyond school often calls for brave leadership This could be encouraged through for example greater

engagement with sports and the arts by collaborating with external bodies such as the Scouts and Guides or the Duke of Edinburgh s Award scheme or by working with libraries museums faith groups and environmental associations In this book Bill and Ellen offer a framework for zest a practical guide for teachers underpinned by theory They draw on a number of areas of knowledge and practice that each have something to contribute to the concept of zest for learning bringing together ideas in concrete and actionable ways Zest for Learning connects the co curriculum with the formal curriculum building both theoretical and practical confidence in the kinds of pedagogies which work well Bill and Ellen have infused the book with a wide range of ideas for getting pupils to love learning so much that they will be able to learn whatever they want to throughout their lives The authors also go further by presenting case studies that illustrate the successful integration of the co curriculum with the formal curriculum at various educational institutions and by providing an A to Z of practical ideas and activities for developing zest in young learners Suitable for all teachers and leaders in both primary and secondary settings
