Blindness Of Modern Science:

Blindness of Modern Science Undo Uus,1994 The Science of Truth C.W. Adams, Modern scientific theory has proposed to us an accidental existence and evolution without an ultimate purpose or reason This has forced upon each of us the need to balance our personal feelings of faith and spirituality with the basic assumptions of modern science The Science of Truth draws upon the relevant research together with timeless revelations to demonstrate that life truly does have meaning and purpose In this exploration Dr Adams provides a pragmatic review of the prominent scientific theories regarding evolution creation identity genetics quantum physics and even the scientific method itself Practical and verifiable conclusions are accomplished substantiating some of our deepest emotions The Science of Truth successfully bridges the gap between true faith and real science providing resolution to some of the greatest debates of our generation **The spiritual blindness of anthropomorphism is the origin of crass materialism** Helena Petrovna Blavatsky,2023-01-01 Materialism is the mother of all vices and root of the sin and suffering in the world It is the negation of pure Spirit resulting in brutality hypocrisy greed and selfishness Further proof of the moral blindness of materialism is the unquestioning belief in the necromantic apparitions of the disembodied spirits of the dead Modern Science cannot unveil the mystery of the Spirit of Cosmos to the eyes of man It can collect classify and generalize upon phenomena but the Occultist declares that the daring explorer who would probe the inmost secrets of Nature must transcend the narrow limitations of sense and elevate his Manas to the realm of noumena and the sphere of primal causes To run counter to the views of modern Science s most eminent exponents is to court a premature discomfiture in the eyes of the Western world Occultism is at odds with the spiritual blindness of anthropomorphism idealism and hylo idealism positivism and the all denying modern psychology and not least the endless speculations of physicists who are at loggerheads with each other The ancient belief that the Sun is the God of Spiritual and Terrestrial Light is nowadays regarded as a superstition only by rank materialism that denies the triadic hypostasis of Deity Spirit Soul and admits no intelligence outside the mind of man The ever concealed Central Spiritual Sun is the all pervading Spirit of Life animating the playground of numberless Universes incessantly manifesting and disappearing Its creative energy having originated in the Central Point is then stored in the visible Sun the Life and Health Giver of the physical world and then from deep in the bowels of the Earth it keeps flowing incessantly out of the North Pole towards the Equator Francis Bacon was among the first to strike the keynote of materialism by inverting the order of mental evolution not only by his inductive method renovated from ill digested Aristotle but also by the general tenor of his writings The Light of Spirit is the eternal Sabbath of the Mystic Fiat Lux esoterically rendered means Let there be the Sons of Light i e the noumena of all phenomena The Sons of Light are the Logoi of Life shooting out like seven fiery tongues from the infinite Ocean of Light whose supernal pole is pure Spirit lost in Non Being and whose infernal pole condenses and crystallizes into gross matter The Monist Paul Carus,1899 Vols 2 and 5 include appendices **An Illustrated Commentary on the**
