*Blood Flies Upwards* Elizabeth FERRARS,1992      *Blood Flies Upwards* E. X. Ferrars,1978      **As Sparks Fly Upwards** Michael Carr,2016-07-16 When on our path we experience suffering and pain trials and temptations and all the other worldly and spiritual tornadoes and calamities how do we keep calm carry on and trust in God to keep us steady And how do we walk in faith when we face doubts about unanswered prayers and delays in God s will In *As Sparks Fly Upwards* Weathering the Storms of Life author and pastor Michael Carr invites his fellow believers to have faith in the provision of God in necessity in the peace of God in perplexity in the praise of God in adversity and in the purity of God amidst iniquity Writing from the pain and suffering of nursing his sick wife for forty seven years a woman whose life was a miracle of longevity he has gathered together his writings and sermons during those five decades where he dealt with and explained what weathering the storms of life really means for a Christian handling the hard task of life joyfully and with praise to God By walking in faith and being undergirded by omnipotence we can prevail over circumstances that we think are too great too deep and too challenging for greater is He that is in us than he that is in the world Life in God should not be more than we can handle but it should be all that we can handle and that is the right handle to grasp      [MOSTLY MURDER](#) Elizabeth Brassington,2019-09-24 This collection of short stories contains twelve murders which are dark and with bizarre and unexpected endings The villains are motivated by revenge and lack any feelings for their victims The behaviour within the stories is so outrageous that the murderous activities described start to become humorous In some the story lines descend into pure farce The collection sends up many of the characteristics of the classic whodunnit such as having a quirky detective on the case Several of the stories in the collection deal with actual and imagined deaths in a more serious tone and treat the perception of guilt within these situations Some tales vividly portray real events which took place in the author s childhood in Nottingham and this personal experience provides an authentic background to the other fictional stories      [The Victims of the Penal Laws, Or, Legends of History](#) Elizabeth M.
