Bloody Sunday:

On Bloody Sunday Julieann Campbell, 2022-01-20 SHORTLISTED FOR THE PEN HESSELL TILTMAN PRIZE There have been many books written about the events of Bloody Sunday however none has wrenched the reader as violently back to those CS gas choked streets dumping them right in the heart of the screaming running shooting and crying as Julieann Campbell's *On Bloody Sunday* A powerful chronicle of one of the darkest episodes of modern times Sunday Times Powerful and moving The strength of this important new book lies in the artistry the author brings to the tasks of portraying both the community upon which the massacre was perpetrated and the individuals within it Irish Times Meticulous *On Bloody Sunday* possesses a veracity and cumulative power that sets it apart from previous accounts Observer A momentous chronicle timely and vital which highlights that the burden of change rests as always upon the shoulders of those who suffered and yet have nurtured the desire that lessons be learned Michael Mansfield QC who represented a number of families during the Bloody Sunday Inquiry It is a vital record of the time the city and its people and more impressive still it does so almost entirely in their own words their heartbreak their anger their resilience their humour Julieann Campbell has given their voices so long silenced the dignity they deserve It is a staggering achievement Samas O Reilly It's a wonderful book The technique used multiple voices speaking directly to us is very simple but it has a profound effect It puts us into the middle of the chaos of Bloody Sunday and keeps us there throughout the grief and anger that follow A wonderful wonderful book Jimmy McGovern BAFTA winning screenwriter creator of *Sunday 2002* In January 1972 a peaceful civil rights march in Northern Ireland ended in bloodshed Troops from Britain's 1st Battalion Parachute Regiment opened fire on marchers leaving 13 dead and 15 wounded Seven of those killed were teenage boys The day became known as Bloody Sunday The events occurred in broad daylight and in the full glare of the press Within hours the British military informed the world that they had won an IRA gun battle This became the official narrative for decades until a family led campaign instigated one of the most complex inquiries in history In 2010 the victims of Bloody Sunday were fully exonerated when Lord Saville found that the majority of the victims were either shot in the back as they ran away or were helping someone in need The report made headlines all over the world While many buried the trauma of that day historian and campaigner Juliann Campbell whose teenage uncle was the first to be killed that day felt the need to keep recording these interviews and collecting rare and unpublished accounts aware of just how precious they were Fifty years on in this book survivors relatives eyewitnesses and politicians shine a light on the events of Bloody Sunday together for the first time As they tell their stories the tension confusion and anger build with an awful power ON BLOODY SUNDAY unfolds before us an extraordinary human drama as we experience one of the darkest moments in modern history and witness the true human cost of conflict *Bloody Sunday* Don Mullan, John Scally, 1997 Presents eyewitness accounts of the massacre which took place January 30 1972 in Derry Northern Ireland during an anti internment march in which the British Army opened fire and consequently killed fourteen people and wounded thirteen

Bloody Sunday in Derry Eamonn McCann, Maureen Shiels, Bridie Hannigan, 1992 *Eyewitness Bloody Sunday* Don Mullan, John Scally, 1997 Thirteen unarmed civil rights marchers were shot dead by the British Army's Parachute Regiment on January 30 1972 on a day that came to be known as Bloody Sunday This book recalls the events with eyewitness accounts Published to coincide with the 25th anniversary of that day this book also examines the findings of the Widgery Tribunal of Inquiry set up to investigate the events Among those interviewed are adults who attended the march schoolchildren priests paramedics former British servicemen and an ex RUC officer

Setting the Truth Free Julieann Campbell, 2013-02-25 In 1992 twenty eight families came together in the pursuit of truth and justice Eighteen years later they moved a mountain Setting the Truth Free captures for the first time the remarkable story of the Bloody Sunday families of Derry The wounds of Bloody Sunday cut deep and have spanned generations decades after the atrocity a group of determined strangers united in grief and anger met and mobilised themselves to campaign for a new investigation into the killings and the exoneration of the victims Establishing the Bloody Sunday Justice Campaign they embarked upon one of the most remarkable human rights movements in history To the end it was a struggle meeting with scorn and obstruction by fellow citizens the Bloody Sunday families persevered Writing to politicians newspapers and anyone who would listen fundraising lobbying from Westminster to the White House and Capitol Hill and canvassing thousands door to door their remarkable global campaign led to the establishment of the most complex and expensive Inquiry in British legal history After twelve years Lord Saville's report found that the British army's actions on Bloody Sunday were both unjustified and unjustifiable and made headline news all over the world Now forty years after that tragic day and with the universal declarations of innocence still ringing in their ears those most affected by Bloody Sunday have their say This is the inspirational story of how a group of ordinary people stood up to the might of the establishment and won

Democracy's Blameless Leaders Neil James Mitchell, 2012-03-19 From the American and British counter insurgency in Iraq to the bombing of Dresden and the Amristar Massacre in India civilians are often abused and killed when they are caught in the cross fire of wars and other conflicts In Democracy's Blameless Leaders Neil Mitchell examines how leaders in democracies manage the blame for the abuse and the killing of civilians arguing that politicians are likely to react in a self interested and opportunistic way and seek to deny and evade accountability Using empirical evidence from well known cases of abuse and atrocity committed by the security forces of established liberal democracies Mitchell shows that self interested political leaders will attempt to evade accountability for abuse and atrocity using a range of well known techniques including denial delay diversion and delegation to pass blame for abuse and atrocities to the lowest plausible level Mitchell argues that despite the conventional wisdom that accountability is a central feature of democracies it is only a rare and courageous leader who acts differently exposing the limits of accountability in democratic societies As democracies remain embroiled in armed conflicts and continue to try to come to grips with past atrocities Democracy's Blameless Leaders provides a timely analysis of why these events occur why leaders

Toohey,2016-10-30 On 29th January 1998 the House of Commons resolved that it was expedient that a tribunal be established for inquiring into a definite matter of urgent public importance namely the events on Sunday 30 January 1972 which led to loss of life in connection with the procession in Londonderry on that day taking account of any new information relevant to events on that day On 2nd February 1998 the House of Lords also passed this resolution With the exception of the last 12 words these terms of reference are virtually identical to those for a previous Inquiry held by Lord Widgery then the Lord Chief Justice in 1972 Both inquiries were conducted under the provisions of the Tribunals of Inquiry Evidence Act 1921 In his statement to the House of Commons on 29th January 1998 the Prime Minister The Rt Hon Tony Blair MP said that the timescale within which Lord Widgery produced his report meant that he was not able to consider all the evidence that might have been available He

added that since that report much new material had come to light about the events of the day In those circumstances he announced We believe that the weight of material now available is such that the events require re examination We believe that the only course that will lead to public confidence in the results of any further investigation is to set up a full scale judicial inquiry into Bloody Sunday The Prime Minister made clear that the Inquiry should be allowed the time necessary to cover thoroughly and completely all the evidence now available The collection analysis hearing and consideration of this evidence which is voluminous have necessarily required a substantial period of time The Tribunal originally consisted of The Rt Hon the Lord Saville of Newdigate a Lord of Appeal in Ordinary The Hon William Hoyt OC formerly the Chief Justice of New Brunswick Canada and The Rt Hon Sir Edward Somers formerly a member of the New Zealand Court of Appeal Before the Tribunal began hearing oral evidence Sir Edward Somers retired through ill health The Hon John Toohey AC formerly a Justice of the High Court of Australia took his place Lord Saville acted throughout as the Chairman of the Inquiry Before Sunday Jennifer Faus,2007 On 30 January 1972 the British Army deployed the 1st Parachute Regiment to conduct an arrest operation in Derry during a Northern Ireland Civil Rights Association march During the protest 14 unarmed marchers were shot and killed and another fourteen were seriously injured This work is portrait of the victims lives before that tragic day
