*Bloody Williamson* Paul M. Angle,1992 In Williamson County some men took to violence almost as a way of life A shocking story well told New Yorker Williamson County in southern Illinois has been the scene of almost unparalleled violence from the Bloody Vendetta between two families in the 1870s through the Herrin Massacre of 1922 Ku Klux Klan activities that ended in fatalities and the gang war of the 1920s between the Charlie Birger and Shelton brothers gangs Paul Angle was fascinated by this more than fifty year history and his account of this violence has become a classic *Bloody Williamson* Paul M. Angle,2014-10-15 This is a horror story of native American violence It carries a grim lesson for the whole country Political doctrines have played no part in the violence and murder that have brought much ill fame to one corner of Illinois On the map Williamson is just another county But in history it is a place in which a strange disease has raged for more than eighty years a disease marked by a pathological tendency to settle differences by force Fascinated by this Paul M Angle the well known historian set out to discover what really had happened Through enormous research he has been able to reconstruct the whole story in all its horrible scarifying detail Using the best techniques of reportage without editorializing without subjective coloration he has produced a narrative beyond imagination It begins with the Bloody Vendetta a feud that rampaged in the 1870s It deals with labor s success in organizing coal mines in southern Illinois an affair that twice blew up in violence It covers the Herrin Massacre of 1922 perhaps the most shocking episode in the history of organized labor in this country and the subsequent trials The Ku Klux Klan provides material for four chapters that come to a climax in a fatal duel between the Klan and its opponents And it ends with the story of the gang war between Charlie Birger and the Shelton brothers It is a tale to shake the most phlegmatic reader *Bloody Williamson* Paul McClelland Angle,Williamson County (Ill.),1969 *Bloody Williamson* Paul McClelland Angle,1952 [In Bloody Williamson](#) George Galligan,Jack Wilkinson,1927

executing them before large cheering crowds This book tells the cruel truth behind the story that the coal industry tried to suppress and that Herrin wants to forget A thorough account of the massacre and its aftermath this book sets a heartland tragedy against the rise and decline of the coal industry The World's Work ,1924 **The Nation** ,1923 **Sheriff Harry Spiller**,1999-06-15 This 160 page book serves as a memoir of a lawman Harry Spiller from Williamson County Illinois and tells of his stories and ventures as a sheriff Liberty ,1927 Editor & Publisher ,1930 The fourth estate **Coal Review** ,1922 **Time** Briton Hadden, Henry Robinson Luce,1927 Reels for 1973 include Time index 1973 Forgetting and the Forgotten Michael C.
