Blue Guide Greece:

Blue Guide Greece Nigel McGilchrist, 2010-07-13 The first full treatment of all the Greek Aegean islands in a single volume by Blue Guides Meticulously researched and lovingly written this book contains a wealth of detail on all aspects of these popular destinations early history and archaeology Classical and Byzantine art and architecture Venetian and Ottoman monuments and present day concerns such as where to eat which beaches to visit and how to get from island to island

BLUE GUIDE GREECE, 1981 Blue Guide Greece The Mainland Sherry Marker, 2005 *Greece* Sherry Marker, Charles Freeman, James Pettifer, 2006 This guide offers excellent coverage of an endlessly intriguing destination from earliest antiquity to the present Detailed walks unrivaled art history and the most up to date practical information on where to stay and eat make this seventh edition a necessary guide for anyone who wants to make the most of their stay to a truly fascinating country *Creating a Scene in Corinth* Reta Halteman Finger, George D. McClain, 2013-05-16 *Creating a Scene in Corinth* imaginatively draws readers into Chloe's house church which has just received a letter from their church planter the apostle Paul Using group simulation the book brings to life scholarly research on how the gospel penetrated the Roman Empire As participants role play early believers and debate with each other they gain new insights and will never read 1 Corinthians the same way again First century Corinthians were just as human as church people today They did not consider Paul's letters authoritative Scripture when he wrote them so lively group discussion and debate are encouraged This method of Bible study works for many levels from youth groups to Sunday school classes or in college and seminary courses

Ionian Rod and Lucinda Heikell, 2023-10-13 Now celebrating its eleventh edition Ionian has once again been thoroughly updated with new photos and plans Covering the coast and islands southwards from Corfu to Finakounda and eastwards to Mesolongion this much loved guide contains more detail of many of the smaller anchorages and harbours than are comprehensively covered in Rod Heikell s Greek Waters Pilot Like its companions West Aegean and East Aegean Ionian is ideal for charterers and flotilla sailors who are onboard for a relatively short time but also for longer term cruisers on their own yachts who are looking for additional pilotage and background information for this popular cruising ground As with all the Heikell guides Ionian not only gives all the essential information you need but also exudes the charm and flavour of this corner of the Mediterranean Heikell s style is easy to digest and gives pleasure in the details of the history geography and social circumstances of the places described as well as the essential sailing information The Little Ship This book as well as being a practical manual on Ionian cruising seems to have absorbed much of the author s personal feelings regarding the charm which draws him back to it and any reader who has had a whiff of the magic spell of the Greek islands will sense this and inevitably renew the resolve to return and experience it once again in greater measure Nautical Magazine Rod Heikell

nowadays is to the Mediterranean as gin is to tonic It is difficult to imagine sailing there without one of his guides Clear pilot notes chartlets and plentiful illustrations with entertaining commentaries on each place Up to date observations on local and national regulations The new edition does not disappoint If one must choose I would have no hesitation in recommending Heikell Cruising Association Rod has a knack for dropping in snippets of interest and colour to give the reader a feel for the atmosphere of each port or bay Yachting Monthly Like all Rod Heikell s pilots it is also a travel guide in its own right Ionian Magazine The sailing directions are particularly useful when entering the smaller anchorages and harbours for which little information is to be found on charts and include excellent harbour plans and top quality aerial photographs Flying Fish Magazine Ocean Cruising Club Reference Guide for Travellers Jack A.
