## **Blue Sky Of Spring:**

The Blue Sky of Spring Elizabeth Cadell, 1972-01-01      **The Spring of the Year** Dallas Lore Sharp, 1909      **Promised Valley Conspiracy** Ron Fritsch, 2012-12-04 Promised Valley Conspiracy is the third novel in the four book Promised Valley series by Ron Fritsch The farmers and hunters have ended the fighting in the horrific war they started in the second novel Promised Valley War Both sides understand though that new and possibly even more deadly fighting threatens Blue Sky and Wandering Star and their allies among the hunters and farmers realize they must depart from the thoughtless hatred of the past if they want matters to proceed to a favorable conclusion for both peoples      *Poems and The Spring of Joy* Mary Webb, 1928      **Promised Valley War** Ron Fritsch, 2011-11-22 In Ron Fritsch's four Promised Valley novels prehistoric farmers inhabit a fertile river valley they believe their gods promised them in return for their good behavior and obedience Their enemies hunters roaming the mostly barren hills beyond the mountains enclosing the valley believe their gods gave it to them In the first book in the series Promised Valley Rebellion one farmer who has just come of age and wishes to go with another man secretly meets a young hunter who goes with men They become lovers Both peoples are pleased that men who go with men as well as women who go with women live among them Since they don't have children of their own they can contribute their time and efforts to the betterment of their people in other ways such as parenting orphans and abandoned children remembering and retelling the stories handed down to them by their gods and ancestors hearing disputes in place of the king and fighting in the front ranks in their armies Both peoples also though view consorting with an enemy as high treason In Promised Valley War the second book in the series the youthful farmer and hunter who knowingly commit treason every moment they spend together along with others among their peoples most curious about their eternal enemies and most willing to treat them as their equals nevertheless set the stage for what they've feared more than anything else another horrifying war Joseph Yurt for Reader Views says It is the story's prehistoric setting that provides the basis for the intellectual question which binds the Promised Valley books together Could civilization and history with their countless heaven sanctioned wars and genocides have begun differently With that as his touchstone Fritsch thoughtfully and compassionately offers answers through the story and its characters In writing this multi faceted novel Fritsch masterfully layers and blends several literary devices intellectual twists and turns enigma allegory and parable to create a story rendered in both intricate detail and simple wisdom Even through the vivid telling of epic war and death Fritsch employs both fantasy and genuineness to connect with and uplift the reader While Promised Valley War is an adventurous tale on its surface it is not what it seems to be it is much more For me it was a book of revelations For anyone who has never lost their child's heart and imagination Promised Valley War will compel them to consider all that the book has to say to them That's what unforgettable books do Kirkus says The author's well rendered descriptions of the creeping onslaught of war and winter give the reader a visceral feel for the endangered paradise that can occur despite the best intentions of the best people and

readers will be surprised by the twists he gives his tale. Alongside the careful plotting and natural sounding dialogue there is a refreshing amount of deeper resonances in the Promised Valley series a steady undercurrent of commentary of the present day. The treatment of the young hero Blue Sky's attraction to other men for instance is straightforward but nonconfrontational and characters at several points grapple with their society's primitive theology. Could gods who were good hearted allow humans to go to war with one another the narrative at one point asks. If they like humans had no choice in the matter why did humans call them gods. The novel will leave readers eager to find out what happens next in Promised Valley. Luckily Fritsch has plans to add two more volumes to the series. A captivating novel that will transport readers back to prehistory times while reminding them of their own. Promised Valley War is the first place winner in the Gay Lesbian Fiction category of the 2011 Reader Views literary awards competition. Promised Valley War is the winner of the bronze medal in the Literary Fiction category of the 2011 eLit Book Awards competition. Promised Valley War is the winner of a finalist medal in Gay Lesbian Bisexual Transgender Fiction category of the 2012 Next Generation Indie Book Awards competition. Promised Valley War is a finalist in the Gay Lesbian Transgender Fiction category of the 2012 National Indie Excellence Awards competition. The Land of the Yellow Spring, and Other Japanese Stories Frederick Hadland Davis,1910

*Promised Valley Rebellion* Ron Fritsch,2010-11-01 In Ron Fritsch's four Promised Valley novels prehistoric farmers inhabit a fertile river valley they believe their gods promised them in return for their good behavior and obedience. Their enemies hunters roaming the mostly barren hills beyond the mountains enclosing the valley believe their gods gave it to them. Promised Valley Rebellion the first book in the Promised Valley series is a story of forbidden love. The farmer's king refuses to allow the marriage of the coming of age prince to the daughter of the farmer who saved the king's life in the last war with the hunters. Her brother decides he has to help his sister and the prince his boyhood friend correct the flagrant injustice. That decision leads them and their allies into a youthful rebellion against the king and his officials who rule the kingdom from their bluff top town. The far more numerous farmers in the villages below who despise the officials but not the king and who admire the prince are in a position to determine whether the rebels will succeed or face execution for treason. Kirkus says the story encourages the reader to ponder the universal elements of the tale and calls the prehistoric world of the novel a strange primitive world that feels winningly real. The US Review of Books says the novel is a good tale that feels real with a strong promise and a good twist at the end and a good book to read by the fire in wintertime. Promised Valley Rebellion is the winner of the gold medal in the Literary Fiction category of the 2010 eLit Awards competition. Promised Valley Rebellion is the first place winner in the Gay Lesbian and Transgender Fiction category of the 2011 National Indie Excellence Awards competition. Promised Valley Rebellion is the winner of the silver medal in the Historical Fiction category and a finalist in the General Fiction category of the 2011 Readers Favorite awards competition. **Spring Wild Flowers** Sir Daniel Wilson,1875
