Penelope Russianoff

Desperate Dependence:

Desperate Dependence Max Davis,2004 Given the choice most of us wouldn't want to reach a point of desperate dependence on anyone But when that dependence is on God it can become a very unique point where we can discover just how interested God is in every area of our lives and especially the spiritual emotional and relational areas In **Desperate Dependence** Max Davis gently reveals how our disappointments and failures can be turned around so that we experience God in ways we never imagined **Desperate Dependence** will take you to a new place in your relationship with God where every personal challenge can poise you to grow spiritually and emotionally in him

The Fire of Delayed Answers Bob Sorge,1996-05 This book helps clarify why the answers to our prayers may be delayed and gives practical advice for walking in faith and hope until God's release comes

Disabled Christianity Aaron J. Gunzer,2007-06 My hope is that this book will not only touch the lives of those who share a disability but touch anyone dealing with a crisis The intention of this book is to show how each and every one of us desperately needs God's help in our lives I believe that my experiences as someone in constant physical need can reveal to every human spirit that they too are in constant spiritual need and must find help

Women's Conflicts About Eating and Sexuality Ellen Cole, Esther D Rothblum, Lillie Weiss, Rosalyn Meadow,2014-06-03 **Women's Conflicts About Eating and Sexuality** explores the strong relationships food and sex have represented to women over the years No other book has spelled out so clearly the parallels between sex and eating nor integrated the relationship of these to women's basic need to be loved Today's dilemma for women be fat or go hungry and the endless variations and unsatisfying solutions to this problem have contributed to the incidence of anorexia bulimia and obesity The pursuit of slimness the obsession with having the perfect body excessive aerobicizing and diet books ad nauseam are all part of this phenomenon Authors in **Women's Conflicts About Eating and Sexuality** skillfully discuss the parallel between women's obsession with sex and romance in the fifties and their obsession with food today An important book for all women it sheds light on the complex issues facing women and devotes special attention to the career woman and the additional pressures to be slim and stay slim The woman who reads this potentially life changing book can examine question and change her behavior using the specific step by step program aid included in the book This book is for every woman who has ever worried about being too fat or too sexual **Women's Conflicts About Eating and Sexuality** will appeal to women of all ages young women and their mothers will be fascinated by the parallels between sexual obsessions of thirty years ago and the eating obsessions of today This healing book will particularly attract single career women for whom sex and relationships are fraught with complications Counselors and therapists will find this book an excellent resource in their work with helping women It is also a good auxiliary text for courses in Women's Studies focusing on psychology and history of women and the sociology of women and eating disorders

Spurgeon Keeney Dickenson,2024-10-03 The priority a pastor places on preaching is best measured by his investment of prayer Wholehearted prayer reflects high priority and limited prayer means

low priority It is tragic when sermons are mechanically written as an academic exercise with a brief invocation and benediction This book contains the tools needed to develop a pulpit ministry that is prioritized in prayer Charles Spurgeon is a worthy example of balancing theological acuity and pastoral spirituality His example as illustrated in this book will point the pastor to Christ and call him to give himself continually to prayer and the ministry of the word [The Listening Road](#) Neil Tomba,2021-06-01 Do you wish you knew how to talk to people about life s deepest and most sensitive topics In The Listening Road you ll ride along on one man s remarkable 33 day journey cycling 3 000 miles across the United States on a mission to engage with people from all walks of life in real conversations about things that matter most As a pastor Neil Tomba noticed a disturbing trend among people in church they were finding it increasingly difficult to talk about God to those outside of the church Neil wanted to practice what he preached so he set out to bike across the United States talking and more importantly listening to strangers from all walks of life about faith their stories and matters of the heart The Listening Road takes you on Neil s remarkable journey across the country and straight into its soul from Route 66 motels to state parks a lake house and a railway car from conversations with Amish farmers to chats with truckers cowboys mechanics and a descendant of Daniel Boone From one city farm and highway to the next we discover practical actionable ways to change our posture toward others to foster conversation why curiosity kindness and respect open up communication about God and how even in a culture of division and antagonism real connection is possible In our polarizing time Neil models with compassion and curiosity that genuine connection happens only if we are willing to listen in love *A Deeper Kind of Calm* Linda Dillow,2014-02-27 As women we sometimes face difficult seasons in life We need help dealing with the waves of trials depression and discouragement that threaten to overwhelm us During such times we long for comfort and yearn to be reminded of the hope that we have in the Lord In *A Deeper Kind of Calm* Linda Dillow demonstrates how the Psalms can teach us how to positively handle the disappointments of life discern the comforting truth found in God s Word and be encouraged during difficult times One reassuring promise found in the Psalms is that as we walk through the valley of weeping it can be transformed into a place of blessing Hidden throughout the Psalms are pictures of what faith looks like in times of trial This book will encourage you to remember God s faithfulness motivate you to cling to Him and hide in His presence and drive you to praise Him for what He is doing even when you can t see it Included is a four week Bible study to help you further unpack the comforting truths of God s Word **The Ready or Knot Prayer Guide** Scott Kedersha,2023-10-17 Who you choose to marry is one of the most important decisions of your life This decision affects everything that will happen to you from that point forward So how much have you and your significant other prayed together about your shared life to come The best time to start praying for your marriage is before you say I do This devotional guide helps you learn how to pray together for twelve specific areas of your relationship including the purpose of marriage communication and conflict spiritual emotional and sexual intimacy understanding your roles and your differences friendship

and romance money parenting and more It may sound like a cliché when you hear the old adage that couples who pray together stay together but the reality is that the divorce rate for couples who pray together out loud on a consistent basis is less than one percent Prayer is key to a strong and lasting relationship The Ready or Knot Prayer Guide shows you how to develop a lifelong habit to sustain a lifelong marriage Why Do I Think I Am Nothing Without a Man? Penelope Russianoff,1984-12 Dupleix and the Empire of India Sidney James Owen,1887 *A Desperate Dependence* Faust, Reg,2002 *Christian progress, ed. by E. Boys* Ernest Boys,1882 *Barry V.
