Rossi,2024-06-28 Prologue The midday Mexican sun beat down mercilessly turning the chipped paint on the Playa del Carmen police station steps into a shimmering mirage Max clutched the flimsy police report its Spanish a mockery of his meager vocabulary Stolen cash meant a one way ticket back to dusty textbooks not sun drenched beaches A Mother s Warning Ignored Defeat felt like a cold hand squeezing his heart slowly draining the life out of him He couldn t face calling his parents not after boasting about a life changing archaeological dig Less than 24 hours in Mexico and all his dreams were gone Shame burned in his throat How naive could he have been A memory flickered a stark contrast to the harsh reality The Send Off The aroma of coffee wafted up the stairs coaxing him out of bed His mom stood in the kitchen a symphony of clanging pots and clattering plates heralding his send off breakfast You haven t forgotten anything have you she asked her voice laced with a concern he couldn t quite decipher Nope all packed he mumbled stuffing a forkful of fluffy waffle into his mouth Her words echoed in his ears now You re just a tourist The law there doesn t always work the way it does here at home Always be on your guard Max He d brushed it off then blinded by anticipation Now stranded and desperate those words haunted him A Glimmer of Hope The stolen money stung but the loss of his Mac and passport felt like a punch to the gut He needed a plan and fast Turning a corner a familiar landmark sparked a flicker of hope Grabbing his tattered map he located his Airbnb a lifeline in this storm With a surge of determination he pulled out his phone the battery hovering on fumes Inspiration struck Holding it up he pretended to record a live video hoping to deter potential threats A collective gasp rippled through the crowd Vendors vanished like phantoms Just then a policeman appeared his expression a storm cloud Max s heart hammered against his ribs Playing with fire he thought but it was his only shot Doing a live feed for my family he blurted his voice strained Been watching this street for a long time you know The policeman grunted amusement flickering in his eyes He moved on leaving Max weak with relief A Mysterious Figure Across the street a man leaned against a souvenir

shop awning His weathered face held stories beneath a battered cowboy hat One leg propped against the wall his gaze was fixed on Max unwavering Intrigued yet unnerved Max noticed a slight head tilt towards a side street branching off the main avenue Was this a concerned citizen a potential savior or something else entirely A Refuge Found But Questions Remain He hurried towards his Airbnb the confirmation email a beacon of hope Relief washed over him as he entered the cool lobby But a glance back revealed a chilling absence the man with the cowboy hat was gone Vanished without a trace Max shivered a phantom sensation of eyes boring into his back He entered his room the safety of four walls a temporary comfort But the encounter with the stranger lingered a seed of unease planted in his gut Who was the man in the cowboy hat Friend or foe And in a city where paradise can mask danger would Max find his dreams or his doom **My Fault: London Escape**
