Despite The Best Intentions:

Despite the Best Intentions Amanda E. Lewis, John B. Diamond, 2015 A rich and disturbing portrait of the achievement gap that persists more than fifty years after the formal dismantling of segregation

Education Restated Elliot Regenstein, 2022-07-26 Education Restated Getting Policy Right on Accountability Teacher Pay and School Choice offers the education policy community a roadmap for change in three hot button policy areas In each of these areas policy has been anchored around the wrong core values By putting the right core values at the heart of policy state governments can create more favorable conditions for education improvement at the local level Education Restated takes a pragmatic approach to policy change recognizing that the forces that created today s policies have not gone away and that on complex issues there are legitimate competing interests This book harmonizes the best ideas of opposing policy camps and identifies opportunities to strengthen connections between K 12 and early childhood For advocates seeking common ground with historical adversaries Education Restated provides some ideas on where they might find it

Schooltalk Mica Pollock, 2017-02-07 An essential guide to transforming the quotidian communications that feed inequality in our schools from the award winning editor of Everyday Antiracism Words matter Every day in schools language is used whether in the classroom in a student teacher meeting or by principals guidance counselors or other school professionals implying intentionally or not that some subset of students have little potential As a result countless students underachieve others become disengaged and ultimately we all lose Mica Pollock editor of Everyday Antiracism the progressive teacher s must have resource now turns to what it takes for those working in schools to match their speech to their values giving all students an equal opportunity to thrive By juxtaposing common scenarios with useful exercises concrete actions and resources Schooltalk describes how the devil is in the oft dismissed details the tossed off remark to a student or parent about the community in which she lives the way groups based on race ability and income are discussed in faculty meetings about test scores and data the assumptions and communication breakdowns between counselors teachers and other staff that cause kids to fall needlessly through the cracks or the deflating comment to a young person about her college or career prospects Schooltalk will empower educators of every ilk revealing to them an incredibly effective tool at their disposal to support the success of all students every day their words
