**Thunder of the Roses** Manuel Peyrou,1972      **Detecting Texts** Patricia Merivale,Susan Elizabeth Sweeney,2011-06-07 Although readers of detective fiction ordinarily expect to learn the mystery s solution at the end there is another kind of detective story the history of which encompasses writers as diverse as Poe Borges Robbe Grillet Auster and Stephen King that ends with a question rather than an answer The detective not only fails to solve the crime but also confronts insoluble mysteries of interpretation and identity As the contributors to *Detecting Texts* contend such stories belong to a distinct genre the metaphysical detective story in which the detective hero s inability to interpret the mystery inevitably casts doubt on the reader s similar attempt to make sense of the text and the world *Detecting Texts* includes an introduction by the editors that defines the metaphysical detective story and traces its history from Poe s classic tales to today s postmodernist experiments In addition to the editors contributors include Stephen Bernstein Joel Black John T Irwin Jeffrey T Nealon and others      *The Dime Novel Detective* Gary Hoppenstand,1982 Provides reprints of the texts of 5 detective dime novels and lists of all the titles in the series published by the five publishers      **Trent's Last Case** E. Weimar Republic 1918 1933 was a crucial moment not only in German history but also in the history of both crime fiction and criminal science This study approaches the period from a unique perspective investigating the most notorious criminals of the time and the public's reaction to their crimes The author argues that the development of a new type of crime fiction during this period which turned literary tradition on its head by focusing on the criminal and abandoning faith in the powers of the rational detective is intricately related to new ways of understanding criminality among professionals in the fields of law criminology and police science Considering Weimar Germany not only as a culture in crisis the standard view in both popular and scholarly studies but also as a culture of crisis the author explores the ways in which crime and crisis became the foundation of the Republic's self definition An interdisciplinary cultural studies project this book insightfully combines history sociology literary studies and film studies to investigate a topic that cuts across all of these disciplines *Reader's Guide to Literature in English* Mark Hawkins-Dady, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company [The Cambridge Companion to Crime Fiction](#) Martin Priestman, 2003-11-06 This Companion covers British and American crime fiction from the eighteenth century to the end of the twentieth As well as discussing the detective fiction of writers like Arthur Conan Doyle Agatha Christie and Raymond Chandler it considers other kinds of fiction where crime plays a substantial part such as the thriller and spy fiction It also includes chapters on the treatment of crime in the eighteenth century literature French and Victorian fiction women and black detectives crime on film and TV police fiction and postmodernist uses of the detective form **The Last Detective** Peter Lovesey, 2014-08-19 I am so excited for you to be at the very beginning of this trend setting beautifully written vivid series from the introduction by LOUISE PENNY In the first entry to the series and winner of the 1992 Anthony Boucher Award for Best Mystery Novel Diamond must locate two missing letters attributed to Jane Austen to solve the murder of the Lady in the Lake A woman's body has been found floating in the weeds in a lake near Bath There are no marks on her and no murder weapon No one will identify her It looks like Detective Superintendent Peter Diamond has his work cut out for him Diamond is one of the last detectives of his kind a gumshoe whose heroes solved crimes by question and answer door stepping and deduction To unravel this one Diamond must locate two missing letters attributed to Jane Austen and defy his superiors in order to save a woman unjustly accused of murder

and revelation motives and criminals are slowly revealed along with sexualized and violated bodies from femmes fatales to the corpses of victims A satisfying gratifying genre for its readership the detective novel promises the disruption and subsequent restoration of order in societies tarnished by disillusionment which hope for a better future This book takes as its focus examples of detective fiction from Cuba and Mexico during or in the aftermath of huge social upheaval the Special Period and the War on Drugs analyzing representations of sexualities bodies and the genre itself Through an investigation of novels by Leonardo Padura and Amir Valle of Cuba and Bef and Rogelio Guedea of Mexico this work investigates increasingly fluid sexualities and bodies in challenging examples of metaphysical detective fiction a particularly anxious subgenre which challenges both the structures and limits of the detective novel and the reader's understanding of true and false and right and wrong representative of troubling periods of severe social disruption for Cuba and Mexico

Three Bags Full Leonie

Swann, 2025-02-25 Soon to be a major motion picture *The Sheep Detectives* with Hugh Jackman, Nicholas Galitzine, and Emma Thompson. This funny and surprising mystery stars a new breed of detectives you've got to read to believe. This refreshed deluxe paperback features a foreword by internationally bestselling author A.J. Finn, discussion questions, and bonus materials. Something is not right with George the shepherd. His sheep have gathered around him outside the cozy Irish village of Glennkill to assess the situation. George has cared for the sheep, reading them books every night, and now he lies pinned to the ground with a spade. His flock far savvier about the workings of the human mind than your average sheep, sets out to find George's killer, led by Miss Maple, the smartest sheep in Glennkill and possibly the world. Her team of investigators includes Othello, who was rescued from the Dublin Zoo; Mopple the Whale, who is always hungry and remembers everything; and Zora, an existential ewe. Just to name a few. Together, the sheep discuss the crime late into the night, and their speculations vary wildly. Determined to unravel the mystery, they embark on furtive missions into the village where they encounter a hoof full of two-legged suspects: There's Ham, the terrifying butcher who smells of death; Rebecca, the secretive village newcomer; and Father Will, a sinister priest the sheep call God. With wit and heart, this clever international bestseller is a mystery to chew on and savor.

**International Postmodernism** Johannes Willem Bertens, Hans Bertens, Douwe Fokkema, 1997. Containing more than fifty essays by major literary scholars, *International Postmodernism* divides into four main sections. The volume starts off with a section of eight introductory studies dealing with the subject from different points of view, followed by a section that deals with postmodernism in other arts than literature, while a third section discusses renovations of narrative genres and other strategies and devices in postmodernist writing. The final and fourth section deals with the reception and processing of postmodernism in different parts of the world. Three important aspects add to the special character of *International Postmodernism*: The consistent distinction between postmodernity and postmodernism; equal attention to the making and diffusion of postmodernism and the workings of literature in general and the focus on the text and the reader; and the reader's knowledge, experience, interests, and competence as crucial factors in text interpretation. This comprehensive study does not expressly focus on American postmodernism, although American interpretations of postmodernism are a major point of reference. The recognition that varying literary and cultural conditions in this world are bound to produce endless varieties of postmodernism made the editors, Hans Bertens and Douwe Fokkema, opt for the title *International Postmodernism*.
