Detours to Destiny Diana Savage,Gerald D. Gawne,Elling Halvorson,2018-10-31 When Elling Halvorson suffered a construction accident at the bottom of the Grand Canyon in 1965 no one expected him to survive But then his Viking stubbornness kicked in The same tenacity that had enabled him to overcome impossible situations in high risk construction projects now gave him the strength to recover and continue to live a courageous and productive life In this story you ll read how his creative approach to challenges extended the lifespan of his disabled sons prompted him to develop quiet technology for helicopters and inspired him to invent unheard of methods and machines to install a freshwater pipeline along a restricted path in the Grand Canyon Halvorson s determination to forge detours to destiny brought him great success But then his heart began to fail Had he finally met an obstacle he couldn t conquer Life's Detours Badiiaa Hires,2021-07-27 This story is about women and for women Can broken hearts be mended Alexandra is a dreamer the youngest child of a large reserved family She longs to escape her small town life and begins a secret life when she is nearly sixteen singing at a small pub in the next town over Her parents find out and give her a choice stop singing or leave home She leaves and soon finds herself involved with a much older man When she discovers she is pregnant however her entire life changes once more She sets out on a journey to a big city determined to make her own choices and find her dreams regardless of the challenges she faces Between the life chosen for us and that we chose we learn lessons that we forget with time We end up sinking derail from the right path and then miss opportunities as we dread embarking on new waves thanks to the depth of the wounds caused by those closest to us But when we feel most disappointed in ourselves we must be strong and remember we deserve happiness justice and success This novel follows the life and journey of a young woman facing an unexpected pregnancy without support from anyone and choosing to chase her dreams anyway *Detour to Destiny* Mamie Harris,2008
