Deuce A Novel:

The Deuce F. P. Lione, 2005 *The Deuce (Midtown Blue Book #1)* F. P. Lione, 2005-01-01 Tony Cavallucci is a New York City police officer fighting for his life The crime and corruption he sees on the job combined with a failing family life leave Tony feeling drained lost and frightfully alone causing him to look for happiness in all the wrong places Just when he is about to give up Tony is partnered with Joe Fiore another Italian American cop who exudes the strength and confidence that Tony has been searching for Though wary of his new partner Tony finds that the day to day toils of his job force him to swallow his pride and look to Fiore for help Writing with grit freshness and authenticity authors Frank and Pam Lione born and bred native New Yorkers themselves bring to life the loneliness that haunts even New York's finest Deuce Anthony Batts, II, 2021-01-19 *Deuce* a life of second chances is a literary representation of growth Oftentimes an environment has the ability to build or break a person's future The unlikely event of a life changing accident expresses how the main character battles childhood depression issues of self confidence and self consciousness to find a latent appreciation of life This is a series of autobiographical short stories which mostly revolve around issues of identity alcoholism and consequences The opening short story was perfect to start the book off It had a seamless pace and it ultimately set the tone for the rest of the stories to come I liked the environment and the initial setting It was nostalgia mixed with a familiar sense of self I really enjoyed this novel I think it managed to tell the lifetime story of an individual who has experienced a lot of life lessons even at a young age The flow was perfect it felt like I was reading a play almost that is how well it flowed The use of mini short stories and a mixture of epilogues contribute to the primary narrative where the core narratives of overcoming poverty substance abuse and depression are consistent threads I really enjoyed the main character I think his character development was dynamic He learned from his mistakes and from his conversations he had with his friends and family **Deuce/Deuce** Jeremiah Semien, 2011-01-26 The final part of the story take all of them on the final ride and it seemed that it is time for the battle between good and evil and the reader will see who will win *Trumped with the Deuce. A Novel* James Panton Ham (the Elder.), 1873 *Deuce* Vivian Zenari, 2022 Gilda Peterborough has always worried about her twin but when Pete deletes his Facebook page she is doubly concerned Pete A K A Philippa A K A Phil is intersex and Gilda credits all of Pete's social problems with this biological fact As far as Pete is concerned however the problems all lie with Gilda who is constantly on his case for reasons that are unclear to him Meanwhile Pete and Gilda's mother Beth frets about both of her twins neither of whom seem to be thriving Beth tries desperately to be a patient and laid back parent but when Pete abruptly decides to move away from Edmonton to Montreal both Gilda and Beth are separately compelled to try to find him and somehow reconcile the family's unresolved past a family history haunted by the influence of Ralph Peterborough a father who has never accepted his child for who they are Events in Edmonton and Montreal spiral with the dual reckoning of Beth in one city and Pete and Gilda in another but ultimately Beth Pete and Gilda will have the final say in their relationships and their identities *The Deuce*

Lione, 2017-10-30 The Deuce is in Him George Colman, 1824 The Deuce is in Him George Colman, 2017-11-29 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control

ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. [Handmaids, Tributes, and Carers](#) Myrna Santos, 2018-12-21. This book is a multi-disciplinary anthology about the role of female figures in dystopian narratives. Such female figures from all stages of life are often critical to these narratives, positing females as particularly powerful heroines or catalysts to action, especially in young adult manifestations such as *The Hunger Games* and *Divergent* trilogies, among others. This book explores the totality of these rich and varied roles from fiction to television to film. This collection will capture the interest of scholars and students in popular culture, literature, gender studies, and media, as well as fan readers and followers of genre fiction, television, and film.

Revealing/Reveiling Shanghai Lisa Bernstein, Chu-chueh Cheng, 2020-08-01. *Revealing/Reveiling Shanghai* provides international and interdisciplinary perspectives on representations of Shanghai, a contested location within political discourse and cultural imagination. Shanghai's complex history as a quasi-colonial city and its contradictory identity as the birthplace of Communist China and the epitome of twenty-first century capitalism make it an especially fascinating subject. Contributors examine representations of Shanghai in film, art, literature, memoir, theater, and mass media from the past one hundred years. They address the ways in which texts from the late twentieth and early twenty-first centuries have rewritten past and present Shanghai to reflect our own wishes and anguishes, show how the city resists static interpretations, and challenge notions of authentic representation and identity. By revealing and questioning persistent stereotypes and constructed versions of East and West, the essays offer diverse views so as to create a genuine exchange with contemporary global audiences. A wide variety of texts are discussed, including the films *Street Angel* (1937) and *The White Countess* (2005) and the novels *The Song of Everlasting Sorrow* (1996) and *Shanghai Baby* (1999).

[One Piece: Ace's Story, Vol. 2](#) Sho Hinata, Tatsuya Hamazaki, 2020-09-01. After an undersea tangle with mermaids and fish men, Portgaz D. Ace leads his Spade Pirates crew to the New World, a place where pirate masters and rookies battle for territory and treasure. As he flees memories of his secret past, Ace seeks pirating infamy so powerful it will change the world order. To achieve this goal, he sets his sights on one of the strongest fleets in the ocean: the Whitebeard Pirates, ruled over by dread pirate Whitebeard, the strongest man in the world.
