The Global Intercultural Communication

Reader Molefi Kete Asante, Yoshitaka Miike, Jing Yin, 2013-06-26 The Global Intercultural Communication Reader is the first anthology to take a distinctly non Eurocentric approach to the study of culture and communication In this expanded second edition editors Molefi Kete Asante Yoshitaka Miike and Jing Yin bring together thirty two essential readings for students of cross cultural intercultural and international communication This stand out collection aims to broaden and deepen the scope of the field by placing an emphasis on diversity including work from authors across the globe examining the processes and politics of intercultural communication from critical historical and indigenous perspectives The collection covers a wide range of topics the emergence and evolution of the field issues and challenges in cross cultural and intercultural inquiry cultural wisdom and communication practices in context identity and intercultural competence in a multicultural society the effects of globalization and ethical considerations Many readings first appeared outside the mainstream Western academy and offer diverse theoretical lenses on culture and communication practices in the world community Organized into five themed sections for easy classroom use The Global Intercultural Communication Reader includes a detailed bibliography that will be a crucial resource for today s students of intercultural communication

Interethnic Communication Young Yun Kim, 1986 Racial and ethnic strife is increasing at an alarming rate and has become a pressing social and political problem in many parts of the world But how can we promote effective communication and cooperative relationships across ethnic boundaries *Interethnic Communication* the first anthology on interethnic relations which consists entirely of communication focused studies addresses this important question Emphasizing interpersonal contact and interaction this volume helps us understand how individuals and groups from a wide range of ethnic backgrounds interact with and relate to one another

An Introduction to Intercultural Communication Fred E. Jandt, 2012-02-02 Filled with thought provoking examples photos quotes cases and stories that spark students interest and challenge them to reconsider existing viewpoints the Seventh Edition of Fred Jandt s *An Introduction to Intercultural Communication* a historical framework featuring extensive relevant updates prepares today s readers to successfully navigate our increasingly global community

Human Communication Research, 1986 *Intercultural Communication* Deborah A Cai, 2009-11-20 Intercultural communication

research finds its roots primarily in anthropology psychology and sociology However many intercultural communication scholars draw mostly from a relatively recent body of work Intercultural Communication represents both the classic works that set the foundation for the field as well as the more recent influential works The volumes examine a wider and more interdisciplinary range of literature that has influenced this field

Transcultural Realities Virginia H. Milhouse, Molefi Kete Asante, Peter O. Nwosu, 2001-07-24 This text challenges the quantitative social science perspective on intercultural communication by examining critical issues from diverse perspectives Key topics include historical and religious perspectives racial and ethnic issues cross cultural adaptation and methods of researching other cultures The book takes a more critical cultural worldview of intercultural communication includes some of the major thinkers of the contemporary times including Molefi Kete Asante Ama Mazama Anthony Monteiro and Ali Mazrui is constructed so that professors and students of any cultural group might use it

Theories in Intercultural Communication Young Yun Kim, William B Gudykunst, 1988-10 Published in cooperation with the Speech Communication Association Division on International and Intercultural Communication Just as the earlier version of this work Intercultural Communication Theory helped to define the field Theories In Intercultural Communication also makes an important contribution This collection represents the major current approaches to the study of intercultural communication as well as of communication in general The contributors cover constructivist theory coordinated management theory convergence theory adaptation in intercultural relationships intercultural transformation and network theory The volume offers an analysis of the most current theories in intercultural communication It also points to areas of further research and the need for continued refinements of existing approaches This volume is valuable for graduate students and professionals in the areas of communication especially intercultural and interpersonal ethnic studies cross cultural studies comparative studies and education The book is well conceived in its purpose scope and organization It is also well executed with an even quality throughout Each chapter author clearly presents the theory and provides thorough documentation This volume promises to become a central piece in both the definition and development of theory in intercultural communication Modern Language Journal This volume does represent a significant attempt to consolidate and crystallize the current intellectual core concepts of mainstream intercultural communications theories and to push the field forward toward a more rigorous and coherent state As a collection these essays cover a lot of the bumpy terrain that constitutes the field of intercultural communication from an interpersonal perspective Very useful in the context of a university course on intercultural communications Canadian Journal of Communication

Theorizing About Intercultural Communication William B. Gudykunst, 2005 In *Theorizing About Intercultural Communication* editor William B Gudykunst brings together key theories that have shaped and influenced human intercultural communication This text provides an excellent overview of the major theories currently in use and examines how these theories will also support the foundation for future research in this area Contributors to this text include individuals who actually developed the theories

covered in the book Each contributor highlights the evolution development and application of the theory to provide a thorough and contemporary view of the field Dynamics of Intercultural Communication Carley H. Dodd,1995

Understanding Communication Theory John F. Cragan,Donald C. Shields,1998 Anyone who wishes to pursue a career in communication with groups needs this comprehensive book on the theories behind communication This volume provides practical engaging overviews of over 42 different theories that readers will need to be aware of if they are pursuing this serious field The authors established writers and scholars who are known as the park rangers of communication theory have provided a user friendly tour Accurate up to date and comprehensive this volume will prove a valuable addition to the literature on the subject Those involved in communication careers Phenomenol Rhetoric Commun CB (Current Continental Research) Deetz,1981

Chinese Communication Theory and Research Wenshan Jia,Xing Lu,D. Ray Heisey,2002-06-30 A systematic examination of Chinese communication scholarship and comprehensive critique of its theories and methodologies are long overdue and in this new collection of essays by a multicultural group of scholars both aims are achieved Focusing on such relatively new fields as Chinese health communication and Chinese communication on the internet the volume addresses key questions about the state and the future of its field Both challenging and complementing the Western views of communication it advances theories of cultural and intercultural communication while at the same time broadening our understanding of the relevance of Chinese communication studies to communication studies overall and the ways in which this subdiscipline points the way toward a new and more complicated future The essayists whose origins include the United States Taiwan Hong Kong and China bring their many perspectives to bear on what is the most comprehensive and inclusive review of Chinese communication research literature published in English Of great benefit to Western and Eastern communication theorists philosophers of social science and Asian studies scholars Chinese Communication Theory and Research is an invaluable guide to an increasingly complex and significant field of study

Journal of Education for Library and Information Science ,1991 **Intercultural Communication Theory** William B. Gudykunst,1983-04 The seventh volume of the distinguished series International and Intercultural Communication Annuals is published for the first time by SAGE It is also the first volume to be presented in a new format theme oriented volumes that examine key issues in intercultural communication Twenty four leaders in the field contribute original essays that review the progress made toward developing theories of intercultural communication Theories based on traditional communication perspectives new theories that are unique to this new emerging discipline and contributions from such areas as philosophy social psychology and linguistics are described If one were to offer a seminar designed to take stock of theory in intercultural co *Adolescent Females, Interethnic Friendship and the Power of Discourse* Toi Ayeshia Holiday James,2004
