Fishermans Year Holden

Christian G. Meyer

Fishermans Year Holden:

North Carolina's Ocean Fishing Piers Al Baird,2011-03-08 From the sweltering summer heat to the biting winter chill thousands of dedicated anglers flock to North Carolina s piers to cast lines into the salty depths hoping to reel in anything from whiting and shark to the highly prized sheepshead red drum and even the elusive king mackerel Fishing pier enthusiast Al Baird recounts the history of these wind worn structures from the incredible story of the oldest pier in North Carolina to the tales of the destructive hurricanes that ripped through the Outer Banks Discover how seaside towns have grown and changed while their piers remain the same as Baird recounts the memories and accomplishments of the men and women who have visited and loved these slowly disappearing landmarks
