## **Complete Survival Guide For High School And Beyond:**

*The Complete Survival Guide for High School and Beyond* Erin Shale, 2011-01-01 Aimed at teenagers grappling with all the challenges of high school study their future friendships and family the Complete Survival Guide for High School and Beyond offers positive ways to get the most out of school the major focus of this book is how to maximise opportunities both at school and outside school From attitude and confidence building to getting along with parents and teachers from goal setting and exam preparation to career investigation and landing a job this book has it all there is also an important focus on figuring out what personal success really means It explores many important issues and addresses both the personal and social matters in every adolescent's life Working hard at school doesn't have to mean not having a life and this book focuses on balancing the two in order to survive this often confusing stage A practical motivational text the Complete Survival Guide contains lots of ideas and strategies for making life easier for this critical age group By no means limited to high school students it is a useful tool for both parents and teenagers alike

*The Complete Survival Guide for High School and Beyond* Erin Shale, 2004 Covers balancing study and fun getting on with teachers building your confidence handling sex and drugs moving on to further study and getting a job

*How's school?* Erin Shale, 2005-01-01 How's School we ask and they answer with a mumble which tells us nothing Can parents hope to know how our teenagers are coping at high school What can we do to make it a positive experience for them How can we help them if it is not At high school children grow up learning to become themselves and to develop significant relationships beyond the family They begin to understand what interests them what they are good at and to imagine possible futures We want them to sail through these years some do while others struggle All experience times where reassurance and guidance is crucial especially in their final year Parent power can make a real difference we need to know how to use it wisely

*How's School* is the accumulated wisdom of Erin Shale a school counsellor and teacher who has for over a decade guided young people and their families through the good bad and funny experiences of school Her practical guide helps parents to help teenagers get the most out of school emotionally and socially as well as academically a ray of hope and wise advice on the many thorny issues that confront families

E J Brierley President Australian Secondary Principals Association Erin's deep regard and appreciation of young people and respect for parents is evident throughout the book Easy to read both hopeful and challenging the book canvasses and responds to many of the questions decisions and dilemmas for students and parents

Josephine Lonergan AM Executive Director Australian Parents Council I encourage all parents and others interested in supporting young people through their schooling to read this excellent book

The Hon Dr Brendan Nelson MP Minister for Education Science and Training
