**Cultures and / of Globalization** Barrie Axford, Richard Huggins, 2011-07-12 This book explores the ways in which study of culture as the realm of meaning and identity can inform current debates about globalization and thus afford greater understanding of emergent globalities By drawing on a range of disciplinary and sub disciplinary expertise from across the social sciences and also promoting areas of cross disciplinary research the book contributes to the development of theory on globalization and also provides some significant illustrations of cultural globalization in practice through attention to novel empirical sites and issues These include eminently cultural realms such as music film and architecture and those that are invested with a strong cultural component such as migration and education Contributions emphasise the soft features of globalization and globality and most look to marry theoretical abstraction with everyday aspects of global processes focusing on those routine and sometimes conscious connections and accommodations that make up daily life in a globalized world In doing so the book itself can be seen as a contribution to critical and multidimensional studies of globalization and as engaging in a form of global practice

**The Elgar Companion to the Arts and Global Multiculturalism** Sneja Gunew, Nikos Papastergiadis, Fazal Rizvi, Paula Muraca, 2025-04-09 This Companion examines the evolution of multiculturalism as a political philosophy public policy and cultural practice Demonstrating the key role of artists activists and migrants in the inception of multiculturalism it explores how to renew the concept for the modern world extending the possibilities of social belonging and communal relations

**Cultures and Globalization** Helmut K Anheier, Yudhishtir Raj Isar, 2010-01-21 In the globalization game there are no absolute winners and losers Neither homogenisation nor diversity can capture its contradictory movement and character The essays and papers collected here offer from a variety of perspectives a rich exploration of creativity and innovation cultural expressions and globalization This volume of essays in all their diversity of contents and theoretical perspectives demonstrates the rich value of this paradoxical oxymoronic approach Stuart Hall Emeritus Professor of Sociology at the Open University Volume 3 of the Cultures Globalization series Creativity and Innovations explores the interactions between globalization and the forms of cultural expression that are their basic resource Bringing together over 25 high profile authors from around the world this volume addresses such questions as What impacts does globalization have on cultural creativity and innovation How is the evolving world map of creativity related to the drivers and patterns of globalization What are the relationships between creative acts clusters genres or institutions and cultural diversity The volume is an indispensable reference tool for all scholars and students of contemporary arts and culture
