The Marriage Miracle Truth The Secret Ingredient:

The Marriage Miracle Paul Kendall, 2015-01-16 Truth that's what you've opened this book to find you want information that is solid and trustworthy You need truth because truth always works just like two plus two always equals four Truth will work in your marriage every time regardless of your circumstances The Marriage Miracle would be a facetious title for a book if it were based on a man's theory but this book is not based on man's theory it's based on the most trustworthy source of wisdom God's Word Isaiah 55:11 says that God's Word will not return void how is that possible Because God's Word is truth and truth always works That scripture goes on to say that whatever His Word is spoken into will prosper it prospers because the truth replaces the lie and when your decisions and actions are based on truth your circumstances begin to change This book is filled with Biblical principles of truth that will bring new life to your marriage if you simply apply them As you read these pages you will learn techniques that when applied to your marriage will always work Now I know the idea of learning techniques may sound less than exciting until you realize that you are already using them in your marriage The problem is they are not working you're not getting the results that you desire Therefore your greatest challenge in this book will be to replace your ineffective techniques with new ones based on principles of truth My wife Evie and I have been married for nearly 30 years now but in our 13th year of marriage we hit rock bottom It was a very very dark time We were two signatures away from a divorce and basically just trying to decide what would be best for our two children under the circumstances when somebody suggested that we go to marriage counseling I didn't like that idea because I always considered myself to be the helper and not the helpee Besides I was a minister and truthfully I was pretty embarrassed to go But I decided to go for one reason only so that after my divorce I could look my two children in the eyes and tell them I tried everything to make it work with your mother even counseling It was definitely the wrong reason to go but it got me there We joined one of their groups and went on to learn things in that program that we had never heard before At the end of the twelve weeks we were not all better but we had all of the tools that we needed to get all better We continued to use the tools for weeks and months and I'd like to tell you that we got better quick but it actually took us about two years to get to where we needed to be That might seem like a long time until you consider the fact that that was about 17 years ago So two years now seems like a drop in the bucket and certainly worth all of the healthy years of marriage that we've enjoyed since then Our children have also been able to grow up in a house with their biological mom and biological dad present So I know things may seem really tough for you I'm sure that they are but I want to encourage you to put your trust not in a person not in a book but in God's truth and trust God to transform your marriage just like He did mine **America Secret Miracles** Gino Enas, 2011-04 **The Sweetest Gift** Jillian Hart, 2012-12-17 When he'd first popped through the shrubbery nurse Kirby McKaslin had found her new neighbor brazen and obnoxious So she was more than surprised to find Sam Gardner volunteering to pilot an early morning medical emergency flight and fixing her fence making her cocoa when she couldn't

sleep even cooking dinner But when Sam took Kirby s hand in his she wasn t surprised to find herself falling for him Then he gently removed his hand and closed his wounded heart to her After he d shown her that faith and kindness could exist in a man could Kirby convince him that despite his past love wasn t gone for him forever The Truth Seeker ,1928 *Miracle Plays and Sacred Dramas* Karl von Hase,1880 **Crime Writers** Elizabeth Haynes,2011-01-19 This invaluable resource provides information about and sources for researching 50 of the top crime genre writers including websites and other online resources Crime Writers A Research Guide is an easy to use launch pad for learning more about crime fiction authors including those who write traditional mystery novels suspense novels and thrillers with crime elements Emphasizing the best and most popular writers the book covers approximately 50 contemporary authors plus a few classics like Agatha Christie Each entry provides a brief quotation that gives some indication of writing style a biographical sketch lists of major works and awards and research sources including websites biographies criticism and research guides There are also read alikes for selected authors Of special note is the inclusion of websites and other online resources such as blogs and social networking sites which are often overlooked in author reference sources The book also provides an overview of the genre and subgenres a timeline and a comprehensive bibliography An ideal resource for genre studies and literature classes this guide will also be invaluable to readers advisors book club leaders students and genre fans **Truth Seeker** ,1925 Florida Crime Writers Steve Glassman,2014-12-24 This book examines 24 crime novelists who set their work in the Sunshine State From James W Hall s Under Cover of Daylight in the Florida Keys to Barbara Parker s Suspicion of Betrayal in Miami to Tim Dorsey s Florida Roadkill at Cape Canaveral and Tampa these writers and their works span all of Florida s 67 counties A biographical sketch of each author precedes an interview by a critic who has immersed him or herself in the novelist s works producing interview essays of noteworthy perception and insight *The Gospel Truth* ,1972 **The City College Quarterly** ,1925 *Attention Please, God is Speaking!* David C.
