CENTENNIAL EDITION
Holt

Several copies (of poems) which Housman, during his lifetime, selected for publication, a little over a hundred, is almost exactly the same as the *Odio* of Horace. There, too, was deeply individual, expensively chosen. There was no program and no killing-off, indeed, as Housman told us in the Introduction to the *Last Poems*, most of them were written at the same time as the earlier book. There was to be no posthumous poems.

Nothing else like this has occurred in the history of literature. I was a quarter of a century apart. Housman wrote for all England. For young men killed in action, for those who are haunted by some kind of the memory of an unrequited love or worse, for the speaker for those who find it too hard to keep the laws of God and the laws of men, with just a trace of some personal sympathy, for the rest, he was silent.
