Yorkshire Terrier Ilya Sid, 2021-06-12. Yorkshire Terriers have remained one of the most popular breeds, not only in the USA but elsewhere in the world, and for good reason. They make wonderful companions and being so adaptable, they happily fit in to an owner's lifestyle with the greatest of ease, whether they live in an apartment in town or a house in the country. Although small in stature with lovely long, fine, and silky coats, the Yorkie has a big personality and are always ready to take on the world. Yorkies are outgoing by nature and were originally bred in the UK during the mid 19th Century, so the breed is a relative newcomer to the world of dogs. Over the years, these feisty, courageous terriers have found their way into the hearts and homes of many people, not only in the UK but elsewhere in the world too, thanks to their charming looks and fun-loving personalities.
