*Complicity by Desire* Les Morrison,2000-01-01      *An Indo Irish Love* Beena Anand,2025-04-03 My poetry in this volume was inspired by the man I fell in love with John It is divided according to two major periods the eighties and the second millenium onwards the poems differing in spontaneity The poems of the eighties are couched in the sentiments of nascent love between man and woman The latter day poems were more distanced since we were separated somewhat with very strongly inspired chance meetings Time was also felt through union with nature and music Autumn predominates since I live in the east of France My Indian roots and John s country Ireland also intervened in my writing This is obvious in my last poem Puca written on John s passing away and The Spice Route which stems from my deeply embedded Indian memories

**Symphony of 100 Poems** Fernando Kfer,2024-02-07 Dear readers and poetry lovers It is with great emotion and enthusiasm that I share with you my latest work a deep dive into the universe of words and feelings This book of poetry is an intimate journey through the nuances of life where each verse is an echo of the heart each stanza is a sigh of the soul  
**Symphony of 100 Poems Synopsis** In these pages I sought to capture the ephemerality of love the melancholy of longing the bravery of hope and the mysteries that weave the web of existence Each poem is a painting of emotions an invitation to reflect on the wonders and challenges that permeate our journey What to Expect Feel free to explore the pages of this book like diving into an ocean of words Each poem is a bridge between the tangible and the ephemeral an attempt to express the indescribable beauty of human emotions Dear readers It is with immense gratitude and joy that I dedicate these words to you who kindly embarked on this poetic journey with me Creating this book was an experience of profound meaning and it could not have been possible without the support and inspiration of so many incredible people First of all I would like to thank my family for their patience unconditional love and constant encouragement To the friendships that brightened my days with laughter understanding and support my sincere thanks To those who shared their stories feelings and experiences you are the true essence of these poems To the dedicated team who made this book a reality from editors to designers I thank you for transforming loose words into a tangible work To the mentors who guided my literary path my deepest gratitude And finally to you dear readers for allowing these poems to touch your hearts May this book be more than words on paper but a meaningful echo in your lives With all my love and gratitude Fernando Kfer

**Pedagogical Desire** Jan jagodzinski,2002-06-30 What is the right pedagogical distance for learning to take place What should be the teacher s role concerning a student s desire Ethically speaking how are we to understand the dialectic between desire and the drive Are we obligated to help students mourn the knowledge that they must let go Can ignorance which sounds pejorative be pedagogically useful as that which is unsaid and repressed When the pedagogical distance collapses and seduction takes place can such behavior be excused These are just some of the questions that are raised throughout this collection by the authors Lacanian psychoanalysis presents a challenge to our usual understanding of the subject as formulated by ego

psychology as well as the discursive subject of postmodernism Can Lacan's tripartite psychic registers of the Real Imaginary and the Symbolic present the subject in unending intrapsychic conflict Can pedagogy address this struggle How do we as educators take the notion of the unconscious seriously into account The authors of this collection engage themselves in such questioning in some cases examining their own practices and in other cases developing possible strategies with a view of understanding the psychic life of teaching

**Lars von Trier's Cinema** Rebecca Ver Straten-McSparran, 2021-11-11 This book offers a bold and dynamic examination of Lars von Trier's cinema by interweaving philosophy and theology with close attention to aesthetics through style and narrative It explores the prophetic voice of von Trier's films juxtaposing them with Ezekiel's prophecy and Ricoeur's symbols of evil myth and hermeneutics of revelation The films of Lars von Trier are categorized as extreme cinema inducing trauma and emotional rupture rarely paralleled while challenging audiences to respond in new ways This volume argues that the spiritual biblical content of the films holds a key to understanding von Trier's oeuvre of excess Spiritual conflict is the mechanism that unpacks the films notorious excess with explosive centrifugal force By confronting the spectator with spiritual conflict through evil von Trier's films truthfully and prophetically expose the spectator's complicity in personal and structural evil forcing self examination through theological themes analogous to the prophetic voice of the transgressive Hebrew prophet Ezekiel his prophecy and its form of delivery Placed in context with the prophetic voices of Dante Milton Dostoyevsky O Connor and Tarkovsky this volume offers a theoretical framework beyond von Trier It will be of great interest to scholars in film studies film and philosophy film and theology

**Heraclitus in Sacramento** David Carl, 2006-05 The year is 1987 and the ancient Greek philosopher Heraclitus is living with his mother in a small house in Sacramento when suddenly there is a knock on the door How far does reading go At what point does the act of reading catapult the reader into the seemingly inevitable desire that leads to writing What is the line that divides reading from writing and what happens in the process of trying to import

the perspective one enjoys on one side of that line onto the other side The four pieces collected here are meditations on possible approaches to these and other questions related to the relationship shared by the two fold acts of reading and writing

Loiterature Ross Chambers,1999-01-01 The fabric of the western literary tradition is not always predictable In one wayward strand waywardness itself is at work delay becomes almost predictable triviality is auspicious and failure is cheerfully admired This is loiterature Loiterature is the first book to identify this strand to follow its path through major works and genres and to evaluate its literary significance By offering subtle resistance to the laws of good social order loiterly literature blurs the distinctions between innocent pleasure and harmless relaxation on the one hand and not so innocent intent on the other The result is covert social criticism that casts doubt on the values good citizens hold dear values like discipline organization productivity and above all work It levels this criticism however under the guise of innocent wit or harmless entertainment Loiterature distracts attention the way a street conjurer diverts us with his sleight of hand If the pleasurable has critical potential may not one of the functions of the critical be to produce pleasure The ability to digress Ross Chambers suggests is at the heart of both and loiterature s digressive waywardness offers something to ponder for critics of culture as well as lovers of literature

**Kant After Derrida** Philip Rothfield,2003 For many it remains a moot point whether Derrida is the final rationalist in the wake of the Kantian revolution in philosophy or whether he has furnished a definitive overthrow of the Kantian worldview Certainly Kantian concerns are dealt with across the whole body of Derrida s work Kant after Derrida is an edited collection of essays from an authoritative and international list of contributors that addresses the legacy of Kant after Derrida assessing the principal points of contact and dissonance between the Derridean deconstructive approach and Kant s critical method
