Kim,2015-08-20 This Companion surveys Asian American literature from the nineteenth century to the present day **Asian American Literature** Jinqi Ling,2022-10-20 This book introduces Asian American literary studies by engaging the conditions contingencies and immediate and long term effects of its major debates Two rationales inform Ling s presentation of the field in this way first is a felt need to provide recognizable contours and trajectories for the evolution of Asian American criticism as an ethnic specific minoritarian formation in the United States second is an imperative to historicize its practices including polemics controversies and ideological ruptures as an ongoing negotiation undertaken by Asian American critics for a more self conscious and more adequate representation of the field s interests These rationales are fully contextualized in the book s Introduction and Conclusion The main body of this study is organized non chronologically into 8 chapters with each designed to reflect how the field has been energized by its demographic transformation its growing intellectual heterogeneity its defining moments and its cross cutting relationship with the trends

in other disciplines What has emerged and been given prominence to in the surveys and discussions of this book then constitute the essential criticism of Asian American literary studies a discourse almost 5 decades in the making when examined retrospectively

The Columbia Guide to Asian American Literature Since 1945 Guiyou Huang,2006-08-08 The Columbia Guide to Asian American Literature Since 1945

Chinese American Literature without Borders King-Kok Cheung,2017-02-18 This book bridges comparative literature and American studies by using an intercultural and bilingual approach to Chinese American literature King Kok Cheung launches a new transnational exchange by examining both Chinese and Chinese American writers Part 1 presents alternative forms of masculinity that transcend conventional associations of valor with aggression It examines gender refashioning in light of the Chinese dyadic ideal of wen wu verbal arts and martial arts while redefining both in the process Part 2 highlights the writers formal innovations by presenting alternative autobiography theory metafiction and translation In doing so Cheung puts in relief the literary experiments of the writers who interweave hybrid poetics with two pronged geopolitical critiques The writers examined provide a reflexive lens through which transpacific audiences are beckoned to view the other country and to look homeward without blinders

The Cambridge History of Asian American Literature Rajini Srikanth,Min Hyoung Song,2015-12-01 The Cambridge History of Asian American Literature presents a comprehensive history of the field from its origins in the nineteenth century to the present day It offers an unparalleled examination of all facets of Asian American writing that help readers to understand how authors have sought to make their experiences meaningful Covering subjects from autobiography and Japanese American internment literature to contemporary drama and social protest performance this History traces the development of a literary tradition while remaining grounded in current scholarship It also presents new critical approaches to Asian American literature that will serve the needs of students and specialists alike Written by leading scholars in the field The Cambridge History of Asian American Literature will not only engage readers in contemporary debates but also serve as a definitive reference for years to come

Asian American Literature Bella Adams,2008 An introduction to internationally successful writers such as Maxine Hong Kingston Amy Tan Bharati Mukherjee Gish Jen Chang Rae Lee and Amitav Ghosh set in a range of literary cultural contexts

Asian American Literature in the International Context Rocío G. Davis,2002 In their different and yet complementary perspectives all of the essays in this collection reiterate the universal lesson of pluralism They are divided into sections that deal with biraciality and biculturality interethnic negotiations poetic creations narrative experiments and re constructing self The wide variety of approaches reflects the contributors training in different cultures and across cultures The book showcases refreshing new perspectives in reading that combine the views of literary scholars from three different continents This collection creates a space for discussion and commentary of heightened appreciation and increased creativity a forum that turns the discipline of Asian American Studies into a truly intercultural debate
