Historic San Francisco Jonathan Cook, 2016-10-29 San Francisco is often considered the most beautiful city in the world and is home to a diverse population that pushes the boundaries of social constructs But San Francisco has not always been the city that you see today In fact most of what we know and see of the city did not exist prior to the California Gold Rush of 1849 and the few years of gold fever that followed The San Francisco we know today is relatively young and has been remodeled more than once over the years This book will bring to you in pictures and text a history of San Francisco of which most people are unaware Even San Francisco history buffs should find something new in these pages Visit the author s website for more books as well as links to art and prints from the author s books <https://sites.google.com/site>
