The player's hands are in focus, with the left hand on the neck and the right hand on the bow. The background is blurred, showing other musicians in a concert hall. that time denial of your origin to the point where you manage to erase almost all consciousness of it You refuse to believe
that you are Jewish How to Be a Refugee is Simon May s gripping account of how three sisters his mother and his two aunts
grappled with what they felt to be a lethal heritage Their very different trajectories included conversion to Catholicism
marriage into the German aristocracy securing Aryan status with high ranking help from inside Hitler s regime and
engagement to a card carrying Nazi Even after his mother fled to London from Nazi Germany and Hitler had been defeated
her instinct for self concealment didn t abate Following the early death of his father also a German Jewish refugee May was
raised a Catholic and forbidden to identify as Jewish or German or British In the face of these banned inheritances May
embarks on a quest to uncover the lives of the three sisters as well as the secrets of a grandfather he never knew His
haunting story forcefully illuminates questions of belonging and home questions that continue to press in on us today The
