Barnes' Notes on Proverbs-Ezekiel Albert Barnes,1879-01-01      *Proverbs - Ezekiel* Frederic Charles Cook,1953      *The Bible Commentary* Frederic Charles Cook,1953      A Biblicist View of Law and Gospel Lester L. Stephenson,2017-06-09 Paul told the Romans the Law is holy and the commandment is holy and righteous and good Yet four times in three epistles he wrote We are not under law but under grace Christians read these seemingly conflicting statements and are easily confused They wonder if anyone can understand how the law and the Old Testament relates to their faith Some take the easy way out and all but ignore the Old Testament calling it legalism They prefer to concentrate on and enjoy the magnificent grace of God that comes with salvation This limits their understanding of the Scriptures and indeed restricts spiritual growth Confusion further abounds because just about every denomination has a different interpretation of the law and the relationship between the testaments Lester Stephenson proposes a different approach rooted in Jesus words in Matthew 5 17 18 Do not think that I came to abolish the Law or the Prophets I did not come to abolish but to fulfill For truly I say to you until heaven and earth pass away not the smallest letter or stroke shall pass from the Law until all is accomplished Those two verses call for Christians to look anew at the law and the rest of the Old Testament Not one part of the law or what the prophets wrote will pass away until Jesus has completely fulfilled it Stephenson stresses that Christians must recognize the importance of the Bible that Jesus and the apostles used Each time Jesus and the apostles used the phrase it is written they were using an Old Testament passage to illustrate a New Testament principle In A Biblicist View of Law and Gospel Stephenson advocates a biblicist view based on careful Bible study to explain how Christians are to view the law and the way the testaments fit together as an inspired whole      The Bible Commentary Albert Barnes,Frederic Charles Cook,1847      **The Bible Commentary** F. C. Cook,1983      **Notes on the Old Testament** Albert Barnes,1953      **Biblical Graphics** Roger C. Reeds,1977-06 Biblical Graphics tells the story of the Bible and how it came from God to man Accessibly written this book is well presented by the author      The Age of Creation Elder Michael Ray Alkire,2024-12-24 The Age of Creation is based on the King James version of the Holy Bible with proper interpretations through the additions of the original Hebrew words and the translated Greek text It is provided for the whole world to read by which hopefully the reader will gain a more correct understanding of the faith of Abraham that began the entire belief in one Elohim About the Author Elder Michael Ray Alkire
