Cradit, 2024-06-11 She's eager for every lesson he teaches Escape into this tempting tale of a reserved scholar and the young enthusiastic disciple ready to learn everything he has to offer Aesylt watched her father and brother along with half their village massacred by the vengeful king when she was only eight This violence thrust her into the role of leading their people through the aftermath until her other brother suddenly returns a decade later to resume the mantle of stewardship leaving her without a purpose But then another man enters her life Duke Rahn Tindahl a reserved scholar from the king's court who has traveled to their village to help with the ambitious task of creating the first encyclopedia of their kingdom By the light of an evening fire Rahn asks Aesylt to be his disciple With stars in her eyes she eagerly accepts Together they chart the celestial skies finding shared passion in studying learning and friendship But when their curriculum shifts to a more intimate subject it shakes the foundation of everything they've built Determined to forge a path as a scholar

there's nothing Aesylt won't do in the name of their research. Rahn, however, knows there are some boundaries they should never cross. Then Aesylt is publicly accused of using dark magic and a violent coup forces them to flee to another village conveniently affording them all the privacy they need. For the science they whisper as their illicit research escalates as they risk everything. Because the forbidden feelings they've been secretly battling have been waiting for just such an opportunity. And not all boxes once opened can be closed again.
