Gillies

# Bartok Companion The

**Hussin A.Rothana**

## **Bartok Companion The:**

**The Cambridge Companion to Bartók** Amanda Bayley, 2001-03-26 This is a wide ranging and accessible guide to Bartók and his music

The Bartok Companion Malcolm Gillies, 1994 This book brings together a selection of scholars to show the range of approaches in circulation at the time the wall between East and West came down After the introductory chapters the chief divisions of the volume are drawn according to musical genre piano chamber stage vocal and orchestral and internally organized according to chronology of creation

**The Bartók Companion** Malcolm Gillies, 1993-01-01

*Musical Symbolism in the Operas of Debussy and Bartok* Elliot Antokoletz, 2004-07-22 Musical Symbolism in the Operas of Debussy and Bartók explores the means by which two early 20th century operas Debussy's *Pelléas et Mélisande* 1902 and Bartók's *Duke Bluebeard's Castle* 1911 transformed the harmonic structures of the traditional major/minor scale system into a new musical language It also looks at how this language reflects the psychodramatic symbolism of the Franco-Belgian poet Maurice Maeterlinck and his Hungarian disciple Béla Balázs These two operas represent the first significant attempts to establish more profound correspondences between the symbolist dramatic conception and the new musical language *Duke Bluebeard's Castle* is based almost exclusively on interactions between pentatonic/diatonic folk modalities and their more abstract symmetrical transformations including whole tone/octatonic and other pitch constructions derived from the system of the interval cycles The opposition of these two harmonic extremes serve as the basis for dramatic polarity between the characters as real life beings and as instruments of fate The book also explores the new musico-dramatic relations within their larger historical/social/psychological/philosophical and aesthetic contexts

**Bartók and the Grotesque** Julie A. Brown, 2007-01-01 In *Bluebeard's Castle* 1911 *The Wooden Prince* 1916-17 *The Miraculous Mandarin* 1919-24 rev 1931 and *Cantata Profana* 1930 Bartók engaged scenarios featuring either overtly grotesque bodies or closely related transformations and violations of the body In this book Julie Brown argues that Bartók's concerns with stylistic hybridity high/low East/West tonal/atonal modal/the body and the grotesque are interconnected All three were thoroughly implicated in cultural constructions of the Modern during the period in which Bartók was composing

Bartók and the Grotesque Julie Brown, 2017-07-05 The grotesque is one of art's most puzzling figures transgressive comprising an unresolvable hybrid generally focussing on the human body full of hyperbole and ultimately semantically deeply puzzling In *Bluebeard's Castle* 1911 *The Wooden Prince* 1916-17 *The Miraculous Mandarin* 1919-24 rev 1931 and *Cantata Profana* 1930 Bartók engaged scenarios featuring either overtly grotesque bodies or closely related transformations and violations of the body In a number of instrumental works he also overtly engaged grotesque/satirical strategies sometimes as in *Two Portraits* *Ideal and Grotesque* indicating this in the title In this book Julie Brown argues that Bartók's concerns with stylistic hybridity high/low East/West tonal/atonal modal/the body and the grotesque are interconnected While Bartók developed each interest in highly individual ways and did so separately to a considerable extent the three concerns remained conceptually interlinked All three

were thoroughly implicated in cultural constructions of the Modern during the period in which Bartók was composing *Béla Bartók* David Cooper, 2015-04-28 This deeply researched biography of Béla Bartók 1881-1945 provides a more comprehensive view of the innovative Hungarian musician than ever before David Cooper traces Bartók's international career as an ardent ethnomusicologist and composer teacher and pianist while also providing a detailed discussion of most of his works Further the author explores how Europe's political and cultural tumult affected Bartók's work travel and reluctant emigration to the safety of America in his final years Cooper illuminates Bartók's personal life and relationships while also expanding what is known about the influence of other musicians Richard Strauss Zoltán Kodály and Yehudi Menuhin among many others The author also looks closely at some of the composer's actions and behaviors which may have been manifestations of Asperger syndrome The book in short is a consummate biography of an internationally admired musician **Béla Bartók** Elliott Antokoletz, 1997 This second edition of *Béla Bartók: A Guide to Research* presents a concisely detailed history of Bartók's musical development a catalogue of his compositions according to genre including basic data on Bartók's publishers archives library collections and catalogues and 1200 annotated primary and secondary sources A decade of scholarship since the first edition 1988 is included over forty percent of the material in the second edition is new Four indexes cover listings by author and title Bartók's compositions and his editions and transcriptions of earlier keyboard works proper names and subjects Primary sources include Bartók's own essays articles lectures on folk music and art music letters and other documents his folk music collections facsimiles reprints and revisions of his music and his own editions and transcriptions of earlier keyboard music Secondary sources include biographical and historical studies specialized studies of his personality philosophy and political attitudes theoretic analytic stylistic and aesthetic studies of his music discussions of folk music influences and art music influences studies of his compositional process based on autograph manuscripts editions and his own recordings discussions of his orientation toward pedagogy and discussions of institutional sources for Bartók's research including archival and bibliographic sources special issues festivals conferences colloquia concert programs and computerized data bases for Bartók analysis and research This annotated topically organized Guide is the most extensive bibliographical research tool on Bartók It is the first to draw together the most important primary and secondary bibliographic sources which cover his varied activities as composer ethnomusicologist pianist pedagogue linguist and editor It is significant not only for those interested in musicological research into Bartók's compositional and scholarly activities but also for those interested in ethnomusicological research methodology in general and the study of Eastern European North African Arab and Turkish folk music in particular *Principles of Pitch Organization in Bartók's Duke Bluebeard's Castle* Rita Honti, 2007 **Bartók and the Piano** Barbara Nissman, 2002 The Hungarian composer Béla Bartók 1881-1945 studied the piano with a pupil of Franz Liszt and was himself an outstanding pianist He composed over 300 pieces for the piano many of which belong in the standard repertory of most students and professional pianists Yet this book is the first attempt to come

to grips with his entire piano output from the perspective of the performer as distinct from that of the music historian biographer or analyst Pianist Barbara Nissman has made a close study of the works in the course of preparing a complete recording of them and here offers her insights and suggestions for interpretation and performance Paying particular attention to the Piano Sonata of 1926 the suite Out of Doors and the three piano concertos she looks at Bartók's other works in chapters on folk music the composer as teacher and juvenilia She includes a discography of Bartók's own recordings an annotated bibliography and a CD containing her own recordings of selected works including the little known early sonata of 1898

**Bartók** Benjamin Suchoff,1995 Bela Bartok's compositions feature among the major artistic achievements of the 20th century This accessible text discusses the music of the Concerto for Orchestra in detail and provides the background in which Bartok created this major composition

**The Cambridge Companion to Liszt** Kenneth Hamilton,2005-09-22 This Companion provides an up to date view of the music of Franz Liszt its contemporary context and performance practice written by some of the leading specialists in the field of nineteenth century music studies Although a core of Liszt's piano music has always maintained a firm hold on the repertoire his output was so vast influential and multi faceted that scholarship too has taken some time to assimilate his achievement This book offers students and music lovers some of the latest views in an accessible form Katharine Ellis Alexander Rehding and James Deaville present the biographical and intellectual aspects of Liszt's legacy Kenneth Hamilton James Baker and Anna Celenza give a detailed account of Liszt's piano music including approaches to performance Monika Hennemann discusses Liszt's Lieder and Reeves Shulstad and Dolores Pesce survey his orchestral and choral music

**Collection of Articles on Béla Bartók** ,1959

**Theory and Practice** ,1999

**Twentieth-century Music** Eric Salzman,2002 Offering complete accurate coverage in a tightly condensed simple format this comprehensive exploration of modern music to 1998 deals primarily with the music itself and musical ideas It puts the whole century in a unified concept helping readers make sense out of the heterogeneity It explains the overall development of 20th century music in relation to the past and to two big cycles of contemporary music and encompasses classical and experimental traditions as well as popular elements media multi media and theater Twentieth Century Music and the Past

THE BREAKDOWN OF TRADITIONAL TONALITY The Sources The Revolution Paris and Vienna THE NEW TONALITIES Stravinsky and Neo Classicism Neo Classicism and Neo Tonality in France and Outside of France National Styles Musical Theater ATONALITY AND TWELVE TONE MUSIC The Viennese School The Diffusion of Twelve Tone Music THE AVANT GARDE Before World War II Technological Culture and Electronic Music Ultra Rationality and Serialism Anti Rationality and Aleatory The New Performed Music The United States Post Serialism The New Performance Practice in Europe POST MODERNISM Beyond Modern Music Back to Tonality Pop as Culture Media and Theater Music Examples For courses anyone interested in 20th Century Music Modern Music or the History of Music
