Baseball Memories Marc Okkonen,1992 Baseball Memories, 1930-1939 Marc Okkonen,1994 The Greatest Ballpark Ever Bob McGee,2005 McGee chronicles the Ebbets Field s vibrant history from the first pitch thrown in 1913 through the last out in 1957 until the wrecking ball s descent in 1960 During this period Ebbets Field was hallowed ground to many Brooklynites Ballparks of the Deadball Era Ronald M. Selter,2009-01-22 While most serious fans know that the Deadball Era was characterized by low scoring aggressive baserunning and strong pitching few understand the extent to which ballparks determined the style of play As it turns out the general absence of standardization and the ever changing dimensions configurations and ground rules had a profound effect on the game as offensive production would rise and fall sometimes dramatically from year to year Especially in the early years of the American League home teams enjoyed an unprecedented advantage over visiting clubs The 1901 Orioles are a case in point as the club batted an astounding 325 at Oriole Park IV some 60 points above their road average and 54 points better than visitors to the park Organized by major league city this comprehensive study of Deadball parks and park effects provides fact filled data heavy commentary on all 34 ballparks used by the American and National Leagues from 1901 through 1919 Illustrations and historical photos are included along with a foreword by Philip J Lowry and a final chapter that offers an assessment of the overall impact of parks on the era Going Out David Nasaw,1999-04-15 David Nasaw has written a sparkling social history of twentieth century show business and of the new American public that assembled in the city s pleasure palaces parks theaters nickelodeons world s fair midways and dance halls The new amusement centers welcomed women men and children native born and immigrant rich poor and middling Only African Americans were excluded or segregated in the audience though they were overrepresented in parodic form on stage This stigmatization of the African American Nasaw argues was the glue that cemented an otherwise disparate audience muting social distinctions among whites and creating a common national culture

Simpson,2015-03-10 In 1908 baseball was the only game that mattered in the South With no major league team in the region rivalries between Southern Association cities such as Atlanta Birmingham Memphis and New Orleans were heated This season however no city was as baseball crazed as Nashville whose Vols had been league doormat in 1907 After an unpromising start the Nashville club clawed its way into contention during the month of July rising into the upper division then into a battle for first Local interest intensified as the competitive fire of Nashville fans was stoked by sharp tongued columnist Grantland Rice and the city s three daily newspapers By the time the Vols met the New Orleans Pelicans for a season ending series and the championship the city was gripped by a pennant fever that shut down the commercial district Nearly 13 000 people thronged the Nashville ballpark Sulphur Dell for the third and deciding contest What they saw was described by Rice as the greatest game ever played in Dixie *Baseball* Myron J.
