## **Baseball Research Journal 1982:**

**The Baseball Research Journal, 1982** L. Robert Davids,1982-01-01 **Blackguards and Red Stockings** William J. Ryczek,2016-04-05 It was a novel experiment as baseball s leading men formed the National Association bringing order to the hodgepodge of professional and amateur clubs that made up the sport from the end of the Civil War through 1870 It was an imperfect beginning to organized professional sports in America the league was plagued by gambling contract jumping and rumors of dishonest play but it laid the groundwork for the multi billion dollar enterprises of the 21st century Like most sporting endeavors it was entertaining with the best players in the world displaying their talents throughout the northeastern and mid western United States and in 1874 during a ground breaking journey to England The present volume covers all the action both on and off the field of the NA s five years providing the definitive history of the first professional sports league in the U S [Negro Leaguers and the Hall of Fame](#) Steven R. Greenes,2020-09-02 Since 1971 35 Negro League baseball

players and executives have been admitted to the Hall of Fame The Negro League Hall of Fame admissions process which has now been conducted in four phases over a 50 year period can be characterized as idiosyncratic at best Drawing on baseball analytics and surveys of both Negro League historians and veterans this book presents an historical overview of NLHOF voting with an evaluation of whether the 35 NL players selected were the best choices Using modern metrics such as Wins Above Replacement WAR 24 additional Negro Leaguers are identified who have Hall of Fame qualifications Brief biographies are included for HOF quality players and executives who have been passed over along with reasons why they may have been excluded A proposal is set forth for a consistent and orderly HOF voting process for the Negro Leagues

**The Minors** Neil J. Sullivan,1990-03-15 This impressive history of baseball in the smaller towns and cities of the U S is divided into three sections The first covers the years from 1877 to 1920 when the modern game was evolving and the general outlines of major and minor leagues were taking shape the second treats the period from 1920 to 1950 the golden age of the minors the third is devoted to the expansion of the majors and the rise of television both of which all but destroyed the minors reducing the number of leagues from 59 to 21 **The International League** Marshall D. Wright,2024-10-14 From 1884 to 1953 the International League enjoyed a measure of stability that was the envy of many other minor leagues With franchises located in cities along the East Coast and Canada including Newark Toronto Baltimore Montreal and Providence the circuit produced a brand of baseball that was only a bit below that of the majors This is the complete year by year team

by team statistical history of the first 70 years of the International League from its beginnings with the Eastern League in 1854 to 1953 when longtime member Baltimore was forced to relocate its franchise to make way for a major league team For each season there is a brief essay that covers the league s highlights and its champion Full rosters for each team are then provided with complete statistics for all players **Wicked Curve** John C. Skipper,2006-06-01 When in 1911 Phillies pitcher Grover Cleveland Alexander set the National League record for wins by a rookie 28 it was a sign of things to come Alexander

went on to win 373 games over his 20 year career the third highest total in major league history and he would lead the league in ERA four times shutouts seven times complete games six times and wins six times But he also became a deeply troubled man After the Shell Shocked pitcher returned from World War I he would battle alcoholism epilepsy and personal demons that damaged his reputation and proved disastrous for his life outside of baseball This biography sheds new light on the pitcher and the man focusing on Alexander s personal life especially his complex relationship with his wife Aimee as well as their marriages and divorces His Hall of Fame career wartime service and long decline are also documented

Nineteenth Century Baseball Marshall D. Wright,1996 In March 1871 ten of the United States most powerful professional baseball clubs met in Brooklyn New York Out of that meeting came the sport s first major league the National Association of Professional Baseball Players The Philadelphia Athletics with a record of 21 7 captured the new circuit s first championship From the National Association through the American League s inaugural season in the final year of the century this work is a year by year statistical history of the teams and players of the nineteenth century s major leagues The teams are listed by league with full rosters and complete statistics for each player An introductory section for each year places the league in historical perspective Exhaustive team and player indexes are also included *Walter Johnson* Henry W.
