Jesus, the Christ Thomas Sutton,1999-10-25 I was raised in a Christian home I loved hearing stories about Jesus and his life here on earth Growing up I became less and less enthusiastic about my religion for several reasons One critical reason was a natural process As I matured I became more aware of the hypocrisy of religion You know Do as I say not as I do One day a week act like a Christian and the other six days be selfish greedy and a bigot At that time my faith wasn't strong enough to endure Now I know that if I look hard enough I can find hypocrisy in anything I pray that I've grown beyond the paradox My book is an attempt to make the first four books of the New Testament easy to read It's written in prose In other words it's a narrative of Jesus life using the first four Gospels My book combines Matthew Mark Luke and John into a chronological narrative of Jesus life It is written through the eyes of you as Peter The book is Scriptural It doesn't change alter or sensationalize the original versions of events In some instances I combine multiple versions of the same event into one My inspiration for writing this book is to bring enthusiasm about Jesus to Christians and new revelations to non Christians Scriptures quoted from The Holy Bible New Century Version copyright 1987 1988 1991 by Word Publishing Nashville TN Used by permission **Pillar of Fire** ,1914 **Our Lord's Passion and Death; Sermons** Charles Haddon Spurgeon,1904 *The Agony of Love: Six Hours in Eternity* Chuck Missler,Mark Eastman,2019-02-25 What really happened at the crucifixion How can one who is immortal die How can eternity be compressed into six hours What really held Jesus body to the cross Chuck explores the hyper dimensional aspects of a love letter written in blood on a wooden cross erected in Judea almost two thousand years ago Dr Mark Eastman highlights the medical and forensic aspects of the crucifixion [The Gospels Through Old Testament Eyes](#) Nicholas P. Lunn,2023-09-22 Recognising veiled allusions to the Old Testament in the four Gospels has long contributed to our understanding of the Gospels message Nicholas Lunn takes the investigation of allusion a significant step further in *The Gospels Through Old Testament Eyes* He explores allusions not just in isolated verses but rather occurring throughout whole passages demonstrating that many Gospel episodes interact with specific Old Testament accounts through an extended sequence of allusions Furthermore his examination is not restricted to episodes presented by a single Gospel but includes allusions distributed across two or more Gospel treatments of the same event In *The Gospels Through Old Testament Eyes* Lunn offers a series of self contained studies that bring to light allusions many of them previously unnoted that affirm the intricate interweaving of New Testament texts with those of the Old This volume will greatly enhance your appreciation of the Gospels presentation of Jesus's life and ministry It will inform and equip scholars
