The Lark and the Wren Mercedes Lackey, 1994-11-01 A GHOST OF A CHANCE A voice an icy whispering voice came out of the darkness from all around her from everywhere yet nowhere It could have been born of her imagination yet Rune knew the voice was the Ghost s and that to run was to die Instantly but in terror that would make dying seem to last an eternity Why have you come here stupid child it murmured as fear urged her to run away Why were you waiting here For me Foolish child do you not know what I am What I could do to you Rune had to swallow twice before she could speak and even then her voice cracked and squeaked with fear I ve come to fiddle for you sir she said gasping for breath between each word trying to keep her teeth from chattering The Ghost laughed a sound with no humor in it the kind of laugh that called up empty wastelands and icy peaks Well then girl Fiddle then And pray to that Sacrificed God of yours that you fiddle well very well If you please me if you continue to entertain me until dawn I shall let you live a favor I have never granted any other But I warn you the moment my attention lags little girl you ll die like all the others and you will join all the others in my own private little Hell At the publisher s request this title is sold without DRM Digital Rights Management

BARDIC VOICES #1: LARK AND THE WREN. MERCEDES. LACKEY, Four and Twenty Blackbirds Mercedes Lackey, 2004-02-01 A MAGICAL MANIAC IS LOOSE IN ALANDA A magical murderer is loose in Alanda The victims are always women always lower class and the weapon is always a three sided stiletto most often found among Church regalia But the killers are never churchmen and they always commit suicide immediately after the bloody deed Tal Rufen is just a simple constable But he really cares about his job and when one of these murder suicides happens on his beat he becomes obsessed His superiors don t care the victims will never be missed and their murderers are already justly dead But every instinct Tal Rufen has cries out that he has seen only one small piece of a bigger and much nastier puzzle At the publisher s request this title is sold without DRM Digital Rights Management

Sounding Imperial James Mulholland, 2013-07-30 Spoken words come alive in written verse In *Sounding Imperial* James Mulholland offers a new assessment of the origins evolution and importance of poetic voice in the eighteenth and early

nineteenth centuries By examining a series of literary experiments in which authors imitated oral voices and impersonated foreign speakers Mulholland uncovers an innovative global aesthetics of poetic voice that arose as authors invented new ways of crafting textual voices and appealing to readers As poets drew on cultural forms from around Great Britain and across the globe impersonating primitive speakers and reviving ancient oral performances or fictionalizing them in verse they invigorated English poetry Mulholland situates these experiments with oral voices and foreign speakers within the wider context of British nationalism at home and colonial expansion overseas *Sounding Imperial* traces this global aesthetic by reading texts from canonical authors like Thomas Gray James Macpherson and Felicia Hemans together with lesser known writers like Welsh antiquarians Anglo Indian poets of colonialism and impersonators of Pacific islanders The frenetic borrowing movement and adaptation of verse of this time offers a powerful analytic by which scholars can understand anew poetry's role in the formation of national culture and the exercise of colonial power *Sounding Imperial* offers a more nuanced sense of poetry's unseen role in larger historical processes emphasizing not just appropriation or collusion but the murky middle range in which most British authors operated during their colonial encounters and the voices that they used to make those cross cultural encounters seem vivid and alive
