MY LIFE IN AMERICAN POLITICS

Bare Knuckles And Back Rooms

Dennis W. Johnson

Bare Knuckles And Back Rooms:

Bare Knuckles and Back Rooms Ed Rollins, 1996 Who else but Ed Rollins the brilliant bare knuckled political consultant would dare give us the inside story on how Washington really works Famously outspoken Rollins is a true maverick whose gift for winning campaigns is matched only by his talent for generating controversy Now in this astonishingly candid book he delivers a no holds barred hugely entertaining account of his thirty year career in American politics Rollins has worked for almost every major Republican politician of the past two decades but he was never a member of the Washington aristocracy Raised in the tough shipyard town of Vallejo California he fought as a championship amateur boxer and won over 160 bouts His love of politics was kindled when he worked for Bobby Kennedy s presidential campaign in 1968 but after Kennedy s assassination and a life changing experience during a violent anti war demonstration he joined the Republican party By 1981 he had worked his way up to a job in the Reagan White House the following year he became the president s top political adviser He has battled at the center of the political arena ever since and he and his candidates have won far more often than they have lost If Rollins loves anything more than a good fight it s a good story Here is Richard Nixon complaining to him about the lack of a nut cutter in the Reagan administration Nancy Reagan berating him for his atrocious attire Barbara Bush telling him he s not welcome in the White House Ross Perot wailing about how expensive campaign advertising is Arianna Huffington hiring a private detective to investigate an unfriendly journalist But Rollins has made some spectacular blunders of his own and he tells stories on himself too most particularly when he provides the first full account of his role in the scandal that followed Christine Todd Whitman s election as governor of New Jersey BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Democracy for Hire Dennis W. Johnson, 2017 This book is a history of political consulting in America examining how the consulting business developed highlighting the major figures in the consulting industry and assessing the impact of professional consulting on elections and American democracy A key focus is on presidential elections beginning in 1964 and the important role played by consultants and political operatives **The Man Who Ran Washington** Peter Baker, Susan Glasser, 2020-09-29 BEST BOOK OF THE YEAR The New York Times The Washington Post Fortune Bloomberg From two of America s most revered political journalists comes the definitive biography of legendary White House chief of staff and secretary of state James A Baker III the man who ran Washington when Washington ran the world For a quarter century from the end of Watergate to the aftermath of the Cold War no Republican won the presidency without his help or ran the White House without his advice James Addison Baker III was the indispensable man for four presidents because he understood better than anyone how to make Washington work at a time when America was shaping events around the world The Man Who Ran Washington is a page turning portrait of a power broker who influenced America s destiny for generations A scion of Texas aristocracy who became George H W Bush s best friend on the tennis courts of the Houston Country Club Baker had never even worked in Washington until a devastating

family tragedy struck when he was thirty nine Within a few years he was leading Gerald Ford s campaign and would go on to manage a total of five presidential races and win a sixth for George W Bush in a Florida recount He ran Ronald Reagan s White House and became the most consequential secretary of state since Henry Kissinger He negotiated with Democrats at home and Soviets abroad rewrote the tax code assembled the coalition that won the Gulf War brokered the reunification of Germany and helped bring a decades long nuclear superpower standoff to an end Ruthlessly partisan during campaign season Baker governed as the avatar of pragmatism over purity and deal making over division a lost art in today s fractured nation His story is a case study in the acquisition exercise and preservation of power in late twentieth century America and the story of Washington and the world in the modern era how it once worked and how it has transformed into an era of gridlock and polarization This masterly biography by two brilliant observers of the American political scene is destined to become a classic *Point of Entry* Peter Schechter,2006-01-10 Ripped from today s most terrifying headlines this is the tale of a Syrian led terrorist strike against the U S that crosses international and personal boundaries **The Blood Ship** Norman Springer,1922 **The Presidency of George Bush** John Robert Greene,2000 This comprehensive history of George Bush s administration paints a striking portrait of a positive moderate whose accomplishments have often been underrated 14 photos [True Believers](#) Doug Richardson,2010-09-14 Book description to come **The Presidency of Richard Nixon** Melvin Small,1999 A lively anecdotal account features every facet of Nixon s controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos **The Woman at Home** ,1894 Annie S Swan s magazine *California.
