Bartók and the Grotesque Julie Brown,2017-07-05 The grotesque is one of art's most puzzling figures transgressive comprising an unresolvable hybrid generally focussing on the human body full of hyperbole and ultimately semantically deeply puzzling In *Bluebeard's Castle* 1911 *The Wooden Prince* 1916-17 *The Miraculous Mandarin* 1919-24 rev 1931 and *Cantata Profana* 1930 Bartók engaged scenarios featuring either overtly grotesque bodies or closely related transformations and violations of the body In a number of instrumental works he also overtly engaged grotesque satirical strategies sometimes as in *Two Portraits* *Ideal and Grotesque* indicating this in the title In this book Julie Brown argues that Bartók's concerns with stylistic hybridity high low East West tonal atonal modal the body and the grotesque are interconnected While Bartók developed each interest in highly individual ways and did so separately to a considerable extent the three concerns remained conceptually interlinked All three were thoroughly implicated in cultural constructions of the Modern during the period in which Bartók was composing

Béla Bartók David Cooper,2015-04-28 This deeply researched biography of Béla Bartók 1881-1945 provides a more comprehensive view of the innovative Hungarian musician than ever before David Cooper traces Bartók's international career as an ardent ethnomusicologist and composer teacher and pianist while also providing a detailed discussion of most of his works Further the author explores how Europe's political and cultural tumult affected Bartók's work travel and reluctant emigration to the safety of America in his final years Cooper illuminates Bartók's personal life and relationships while also expanding what is known about the influence of other musicians Richard Strauss Zoltán Kodály and Yehudi Menuhin among many others The author also looks closely at some of the composer's actions and behaviors which may have been manifestations of Asperger syndrome The book in short is a consummate biography of an internationally admired musician
