## **Al Burts Florida:**

*Al Burt's Florida* Al Burt, 2025-06-24 This book takes readers on a tour of Florida through the writing of Al Burt longtime reporter for the Miami Herald exploring the charm substance and fantasy of a complex and fascinating state Becalmed in the Mullet Latitudes Al Burt, 1983 **For Floridiana Collectors** Al Burt, 1999-12-30 The perfect gift for anyone who loves the real Florida this limited collector s edition contains both Al Burt classics both signed by the author and both jacketed with evocative Florida landscapes by James F Hutchinson whose work also appears on the box cover Two Burts three Hutchinsons and Florida at its best all in one boxed set *The Tropic of Cracker* Al Burt, 2009 For anyone who loves the old Florida and still has hope for the new Should be required reading for everyone who calls Florida home Miami Herald There is a richness and sadness in this book A museum of Florida s choicest people places and monuments Palm Beach Post Ever wonder what s the best way to eat a rattlesnake Puzzled over the origin of the term Florida Cracker Have an interest in alligator wrestling or catfish Al Burt has some answers for you Forum Burt s writing shows a Florida that is vanishing before our eyes He reveals the strange quirky charming face of the Sunshine State by writing about catfishermen on Lake Okeechobee by relating the stories of Florida cowboys who drove free range cattle across the state and by describing the hardships of a couple who abandoned south Florida for an organic farm in the Panhandle Weekly Planet Burt grabs the spirit of the Florida that once was tantalizes us makes us nostalgic and weaves a bit of oral history as we travel with him It s as warm as a front porch gathering on a July evening or a grandma s hug as fresh as a fall breeze through the pinewoods or across an undeveloped coastal dune Gainesville Sun Drawing upon his long career as a roving Florida journalist Burt uses a series of vivid biographical profiles to explore the full range of crackerdom from the good old boys and pork chopper politicians of the Panhandle to the native Conchs of Key West Perhaps most impressive he brings these endangered subcultures to life without resorting to sensationalist caricature or lapsing into nostalgic revery Cracker Florida which surely has suffered more than its share of condescension and misunderstanding has finally found its laureate from the Foreword Marjory Stoneman Douglas, Guardian of the 'Glades Kieran Doherty, 2002-01-01 A biography of the Florida environmental activist whose efforts on behalf of the Everglades have resulted in the protection and revitalization of that area **The Book of the Everglades** Susan Cerulean, 2002 Many may not realize that the Everglades National Park is cut off from the water that gives it life Its ecosystem begins well above the park s boundary extending more than three hundred miles from the Kissimmee River near Tampa and Orlando southward through Florida Bay It is the most endangered ecosystem in North America The Book of the Everglades is a story of how much was changed when the vast river of grass was drained and converted to agriculture its natural plumbing channeled so that nearby towns and farms would be protected from flood and saved in drought It s a story of how one of North America s largest freshwater lakes ended up with a moat around it A story of the sugar barons who were kicked out of Cuba and settled in what is now known as the Everglades Agricultural Area A story of the largest subdivision in

the world platted on drained wetlands A story of the soil that is no longer replenished and gives way at the rate of one foot every ten years It is a story told by writers who know how to tell a story and who convey the workings of the entire Everglades ecosystem and the impact of its inhabitants Publisher description *An Everglades Providence* Jack E. Davis,2013-05 No one did more than Marjory Stoneman Douglas to transform the Everglades from the country s most maligned swamp into its most beloved wetland By the late twentieth century her name and her classic *The Everglades River of Grass* had become synonymous with Everglades protection The crusading resolve and boundless energy of this implacable elder won the hearts of an admiring public while confounding her opponents growth merchants intent on having their way with the Everglades Douglas s efforts ultimately earned her a place among a mere handful of individuals honored as a namesake of a national wilderness area In the first comprehensive biography of Douglas Jack E Davis explores the 108 year life of this compelling woman Douglas was more than an environmental activist She was a suffragist a lifetime feminist and supporter of the ERA a champion of social justice and an author of diverse literary talent She came of age literally and professionally during the American environmental century the century in which Americans mobilized an unprecedented popular movement to counter the equally unprecedented liberties they had taken in exploiting polluting and destroying the natural world The Everglades were a living barometer of America s often tentative shift toward greater environmental responsibility Reconstructing this larger picture Davis recounts the shifts in Douglas s own life and her instrumental role in four important developments that contributed to Everglades protection the making of a positive wetland image the creation of a national park the expanding influence of ecological science and the rise of the modern environmental movement In the grand but beleaguered Everglades which Douglas came to understand is a vast natural system that supports human life she saw nature s providence **Florida Heritage** ,1999 [Selling Vero Beach](#) Kristalyn Marie Shefveland,2024-04-23 This book explores how settlers from northern states created myths about the Indian River area on Florida s Atlantic Coast importing ideas about the region s Indigenous peoples and rewriting its history to market the land to investors and tourists **University of Florida Today** ,1998 *Florida History & the Arts* ,2002 A magazine of Florida s heritage [Florida Magnificent Wilderness](#) James Valentine,D. Bruce Means,2006 Contains a collection of annotated nature photographs of Florida arranged by subject including springs caves aquifers sinkholes wetlands waterways forests uplands coasts and wildlife **The Publishers Weekly** ,1925 **Library Journal** Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,1893 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **The Marjorie Kinnan Rawlings Journal of Florida Literature** ,1997 [The Book and News-dealer ...](#) ,1905 *The Boy Spies of Philadelphia* James Otis,1897 *The Publishers' Trade List Annual* ,1899 [Directory of Directors in the City of New York](#) ,1914 *Catalog of Copyright Entries* Library of Congress. Copyright Office,1908
