Alain Delon:

Alain Delon Nick Rees-Roberts, Darren Waldron, 2015-08-27 Few European male actors have been as iconic and influential for generations of filmgoers as Alain Delon Emblematic of a modern European masculinity Delon's appeal spanned cultures and continents From his breakthrough as the first on screen Tom Ripley in *Purple Noon* in 1960 through two legendary performances in *Rocco and His Brothers* and *The Leopard* in the early 1960s to his roles in some of Jean Pierre Melville's most celebrated films noirs Delon came to embody the flair and stylishness of the European thriller as one of France's most recognizable film stars This collection examines the star's career image and persona Not only focusing on his spectacular early performances the book also considers less well documented aspects of Delon's long career such as his time in Hollywood his work as director producer and screenwriter his musical collaborations his TV appearances and his enduring role as a fashion icon in the 21st century Whether the object of reverence or ridicule of desire or disdain Delon remains a unique figure who continues to court controversy and fascination more than five decades after he first achieved international fame

Brigitte Bardot Barnett Singer, 2010-07-27 Actress and sex symbol Brigitte Bardot had a stunning career in France and America in the mid 20th century Since the 1970s she has dedicated her life to the welfare and protection of animals with much personal involvement In this book the author makes the case that far from being a pretty face or a spotlight grabber Bardot was an accomplished actress and has always been an intelligent sensitive individual Chapters acquaint readers with her Paris childhood and her rebellious coming of age in a Catholic bourgeois family who disapproved when she appeared on the cover of *Elle* magazine and was offered a screen test The book examines her years in film with careful analysis of her films and also covers her tumultuous personal life including suicide attempts and the beginnings of her interest in animal protection Final chapters detail her efforts in worldwide animal welfare activism including the work of her own international foundation

Romy Schneider Marion Hallet, 2022-03-24 The beautiful Austrian born Romy Schneider was one of Europe's most popular film stars and a cult figure from the moment she played Sissi Empress Elisabeth of Austria in the hugely popular Sissi trilogy in the mid 1950s Although Schneider died in 1982 she continues to be one of the most popular stars in European cinema history This book analyses her impressive career to place her within a range of European female stars particularly Germanic and French who defined cultural and ideological images of femininity on European screens Schneider who worked and was celebrated in Austria Germany Hollywood and France represents a fascinating case study to explore key questions of trans European and transnational stardom and Marion Hallet makes a valuable intervention in this growing field within star studies *Romy Schneider A Star Across Europe* shows how the representations of women stemming from Schneider's star image supported specific and shifting cultural and social agendas regarding femininity from the 1950s to the 1980s This book explores the significance of Schneider's image both when she was working and since within Western European film culture and celebrity culture
