Toronto's iconic studio at 299 Queen Street West to Vancouver's MuchWest MuchMusic's programming travelled across Canada and connected the Canadian music scenes in an unprecedented way. The dream child of TV visionary Moses Znaimer and John Martin, the maverick creator of The New Music Much, was live and largely improvised, and an entire generation of Canadians grew up watching the VJs and embraced the new music that became the video soundtrack of our lives. With stories of the bands, the music, the videos, the specialty shows, the style, and the improvisational approach to daily broadcast life at Much, *Is This Live* is told by the people who were there, the colourful cast of on-air VJs, the artists who found their way into our living rooms of the nation as never before, and the people behind the cameras. As our tour guide to the first decade at MuchMusic, Christopher Ward delivers a full-on dose of pop culture nostalgia from the 1980s and 90s when the music scene in Canada changed forever.
