Albert D. Kirwan Frank F. Mathias,2021-11-21 The name Albert Kirwan is inextricably bound with the University of Kentucky in sports scholarship and administration His skills and interests were so many and varied that his accomplishments in one area could not long satisfy his restless nature he captained and later coached the U K Wildcats took degrees in law and history wrote or edited six books taught a full load of classes became dean of students graduate dean and finally was unanimously installed as seventh president of the University Under his guidance the UK graduate program was improved and strengthened he presented the University s case before the National Collegiate Athletic Association council concerning the 1948 49 basketball gambling scandals he helped to see the University through its first tense period of integration and he was able to handle student activism in the 1960s with both courage and understanding Beyond this he was a gentle devoted family man His wife Betty his sons and his sister have shared their memories of Albert Kirwan providing much of the material included in the biographical section of this book and Kirwan himself left a tape *Some Memories of My Life* recorded in 1971 which Frank Mathias has blended with information culled from letters files and interviews During his lifetime Albert Kirwan was often invited to speak before historical associations at commencement exercises athletic assemblies on television and on radio Records of these speeches document his far ranging thoughts on history education athletics politics the South the Civil War and civil rights revealing him as a responsible and responsive liberal Kentucky gentleman He was a man of many moods and had a wry tongue in cheek humor that enlivened his lectures and talks The second section of the book is a selection of his speeches letters and excerpts from his articles and books including a chapter from John Crittenden *The Struggle for the Union* which won the Sydnor award Reproduced here are Kirwan s analysis of the Kentucky court struggle of the 1820s and his statement before the Southeastern Conference on the penalty assessed against Kentucky s basketball team and here too are the more casual banquet speeches the bantering affection of a warm sensitive man among friends Here is a man who has given his whole life to the University of Kentucky Happy Chandler said of him surely he must love it as perhaps no other person could *Albert D(ennis) Kirwan* Frank Furlong Mathias,Albert Dennis Kirwan,1975 *Revolt of the Rednecks* Albert D. Kirwan,2014-07-11 In post Civil War years agriculture in Mississippi as elsewhere was in a depressed condition The price of cotton steadily declined and the farmer was hard put to meet the payments on his mortgage At the same time the corporate and banking interests of the state seemed to prosper There were reasons for this beyond the ken of the poor hill farmer the redneck as he was popularly termed But the redneck came to regard this situation chronic depression for him while his mercantile neighbor prospered as a conspiracy against him a conspiracy which was aided and abetted by the leaders of his party *Revolt of the Rednecks* Mississippi Politics 1876 1925 is a study of the struggle of the redneck to gain control of the Democratic Party in order to effect reforms which would improve his lot He was to be led into many bypaths and sluggish streams before he was to realize his aim in the election of Vardaman to the governorship in 1903 For almost two

decades thereafter the rednecks were to hold undisputed control of the state government The period was marked by many reforms and by some improvement in the economic plight of the farmer an improvement largely owing to factors which were uninfluenced by state politics The period closes in 1925 with the repudiation and defeat at the polls of the farmers trusted leaders Vardaman and Bilbo
