## **Black Extended Family:**

*The Black Extended Family* Elmer P. Martin, Joanne Mitchell Martin, 1980-02-15 Misunderstood and stereotyped the black family in America has been viewed by some as pathologically weak while others have acclaimed its resilience and strength Those who have drawn these conflicting conclusions have generally focused on the nuclear family husband wife and dependent children But as Elmer and Joanne Martin point out in this revealing book a unit of this kind often is not the center of black family life What appear to be fatherless broken homes in our cities may really be vital parts of strong and flexible extended families based hundreds of miles away usually in a rural area Through their eight year study of some thirty extended families the Martins find that economic pressures including federal tax and welfare laws have begun to make the extended family's flexibility into a liability that threatens its future

**Black Fathers** Michael E. Connor, Joseph White, 2006-08-15 In the parlance of social psychology social work and urban social scientists African American fathers have often been described as absent missing non residential non custodial unavailable non married irresponsible and immature It is wondered why it is was so difficult to find literature research and comments regarding positive attributes of African American families in general and African American fathers in particular This book fills a void in attempting to offer a broader picture regarding the status of African American males in a father role The purpose is to get beyond the African American father invisibility syndrome and gloom and doom pathology oriented labels and tell another side of the story about the power of fathering in the African American experience The book brings these invisible social and biological fathers to life by telling their stories and letting the reader hear and feel the vibrancy of their voices as they struggle to meet the challenges of being fathers and Black men in America **Black Fathers An Invisible Presence in America** is divided into four sections Part I offers some research and theory regarding the impact of fathers on the lives of their children In Part II reactions and experiences from those men who had active involved and committed Black men in their lives as they were growing up are shared In Part III stories are shared from African American men who had problematic relationships with their fathers but who put forth the time energy and effort to work through the issues The primary focus of Part IV is on how to strengthen the role of Black fathers father figures and social fathers in family life and child rearing by discovering and internalizing psychological strengths anchored in African American psychological themes African values and spirituality This book will appeal to scholars and researchers in the fields of race ethnic relations family studies and Black studies

**Black Man Emerging** Joseph L. White, James H. Cones III, 2013-10-18 In the face of centuries of institutional and interpersonal racism in light of the signals they receive from society and given the choices they must make about what they want from life and how to go about getting it how can Black men in America realize their full potential In **Black Man Emerging** psychologists Joseph L White and James H Cones III fashion a moving psychological and social portrait that reflects their personal views on the struggle of Black men against oppression and for self determination Using numerous case histories and biographical sketches of Black men who have failed and those who have prevailed the authors describe strategies for responding to racism and entrenched power underscoring the healing capacity of religion family Black consciousness movements mentorships educational programs paid employment and other positive forces They also explore the concept of identity as it applies to being Black and male and the influence of Black men on American culture **Black Man Emerging** is a poignant and personal discussion of the issues facing and felt by Black men in this country and an important commentary on the conflicts born of human diversity
