Black Authors James Edward Newby,1991

It's Our Day Katherine Jellison,2008 Offers a detailed cultural history of weddings in America from 1945 to 2000 exploring the political social economic and demographic events that influenced the traditions and cost associated with weddings in the post war years

Women of Color and Southern Women Andrea Timberlake,1988 Includes research on six groups of women African American Asian American Latina Native American Southern and women of color

The New African American Urban History Kenneth W. Goings,Raymond A. Mohl,1996-05-20 In recent decades an exciting new scholarship has emerged that is changing the way African American urban history is perceived While earlier studies often portrayed African Americans as passive and powerless or as victims of

white racism and slum pathologies The New African American Urban History emphasizes the new scholarship that conveys a sense of active involvement It supports the view of African Americans as people empowered engaged in struggle living their lives with dignity and shaping their own futures In this perceptive volume contributors examine the great modern migrations of African Americans to the city the creation and expansion of black communities and black life and culture with special emphasis on working class culture This collection of essays written by prominent scholars comes together in perfect harmony with a common thematic approach and interpretive analysis which has shaped new writing in the field for the past decade Both groundbreaking and inspiring The New African American Urban History will prove to be an invaluable resource for students and professionals in urban and ethnic studies

Black Privilege Cassi Pittman Claytor,2020-09-22 A compelling ethnographic account of middle class Blacks in New York City A major contribution to race consumption class and urban studies Juliet Schor author of After the Gig In their own words the subjects of this book present a rich portrait of the modern black middle class examining how cultural consumption is a critical tool for enjoying material comforts as well as challenging racism New York City has the largest population of black Americans out of any metropolitan area in the United States It is home to a steadily rising number of socio economically privileged blacks In Black Privilege Cassi Pittman Claytor examines how this economically advantaged group experiences privilege having credentials that grant them access to elite spaces and resources with which they can purchase luxuries while still confronting persistent anti black bias and racial stigma Drawing on the everyday experiences of black middle class individuals Pittman Claytor offers vivid accounts of their consumer experiences and cultural flexibility in the places where they live work and play Whether it is the majority white Wall Street firm where they re employed or the majority black Baptist church where they worship questions of class and racial identity are equally on their minds They navigate divergent social worlds that demand at times middle class sensibilities pedigree and cultural acumen and at other times pride in and connection with other blacks Rich qualitative data and original analysis help account for this special kind of privilege and the entitlements it affords materially in terms of the things they consume as well as symbolically as they strive to be unapologetically black in a society where a racial consumer hierarchy prevails
