Blackbird Jennifer Lauck,2001-09 With the startling emotional immediacy of a fractured family photo album Lauck's memoir is the story of an ordinary girl growing up at the turn of the 1970s and the truly extraordinary circumstances of a childhood lost

*Blackbird* Jennifer Lauck,2001 The house on Mary Street Carson City Nevada is the only place five year old Jennifer Lauck will ever call home It's where the sky is deep blue forever blue and there are almost never any clouds up there It's where Jennifer lives with her older brother B J her father and mother and their two cats Moshe and Diane It should be a perfect peaceful childhood but Jennifer's mother is ill very ill and a childhood is the last thing Jennifer is going to be allowed

With the startling emotional immediacy of a fractured photo album Jennifer Lauck's incandescent memoir is the story of an ordinary girl growing up in the late 1970s and the extraordinary circumstances of a childhood lost As Jennifer moves from Nevada to Hermosa Beach California from Palo Alto to Los Angeles we witness a child coping with things she shouldn't have to cope with But what shines through BLACKBIRD is an unbreakable spirit and a sense of survival that is both profoundly moving and deeply inspiring

**Found** Jennifer Lauck,2011-03-01 Found is Jennifer Lauck's sequel to her New York Times bestseller Blackbird A Childhood Lost and Found More than one woman's search for her biological parents Found is a story of loss adjustment and survival Lauck's investigation into her own troubled past leads her to research that shows the profound trauma undergone by infants when they're separated from their birth mothers a finding that provides a framework for her writing as well as her life Though Lauck's story is centered around her search for her birth mother it's also about her quest to overcome her displacement her desire to please and fit in and her lack of a sense of self all issues she attributes to having been adopted and also to having lost her adoptive parents at the early age of nine Throughout her thirties and early forties she tries to overcome her struggles by becoming a mother and by pursuing a spiritual path she hopes will lead to wholeness but she discovers that the elusive peace she has been seeking can only come through investigating and coming to terms with her past Found is a powerful story of belonging connectedness and personal truths in which Lauck lays bare the experience of a woman searching for her identity Her assertions about mother and child will be a comfort to some in the adoptive community and distressing to others but her primary motive is to offer another perspective and to give voice to the adoptive children who may be having trouble making sense of their own experience
