Blackfoot Musical Thought Comparative Perspectives:

Blackfoot Musical Thought Bruno Nettl, 1989-01-01 **Blackfoot Musical Thought** Bruno Nettl, 1989 **The Music and Dance of the World's Religions** E. Rust, 1996-08-23 Despite the world wide association of music and dance with religion this is the first full length study of the subject from a global perspective The work consists of 3 816 references divided among 37 chapters It covers tribal regional and global religions and such subjects as shamanism liturgical dance healing and the relationship of music mathematics and mysticism The referenced materials display such diverse approaches as analysis of music and dance description of context direct experience observation and speculation The references address topics from such disciplines as sociology anthropology history linguistics musicology ethnomusicology theology medicine semiotics and computer technology Chapter 1 consists of general references to religious music and dance The remaining 36 chapters are organized according to major geographical areas Most chapters begin with general reference works and bibliographies then continue with topics specific to the region or religion This book will be of use to anyone with an interest in music dance religion or culture **Ethnomusicology and Modern Music History** Stephen Blum, Philip V. Bohlman, Philip Vilas Bohlman, Daniel M. Neuman, 1993 Designed as a tribute to world renowned ethnomusicologist Bruno Nettl this volume explores the ways in which ethnomusicologists are contributing to the larger task of investigating music history The fifteen contributors explore topics ranging from meetings with the Suy Indians of Brazil to the German speaking Jewish community of Israel from Indian music in Felicite Trinidad to Ravi Shankar s role as cultural mediator This book is unique not only for its approach but also for the scope of its content It is definitely a must for libraries of research centers and institutions with ethnomusicology programs Choice [Encyclopedia of Native American Music of North America](#) Timothy Archambault, Elaine Keillor, John M. H. Kelly, 2013-03-27 This book is a one stop reference resource for the vast variety of musical expressions of the First Peoples cultures of North America both past and present Encyclopedia of Native American Music of North America documents the surprisingly varied musical practices among North America s First Peoples both historically and in the modern context It supplies a detailed yet accessible and approachable overview of the substantial contributions and influence of First Peoples that can be appreciated by both native and nonnative audiences regardless of their familiarity with musical theory The entries address how ethnomusicologists with Native American heritage are revolutionizing approaches to the discipline and showcase how musicians with First Peoples heritage are influencing modern musical forms including native flute orchestral string playing gospel and hip hop The work represents a much needed academic study of First Peoples musical cultures a subject that is of growing interest to Native Americans as well as nonnative students and readers *The New Handbook of Research on Music Teaching and Learning* Richard Colwell, Carol Richardson, 2002-04-18 Featuring chapters by the world s foremost scholars in music education and cognition this handbook is a convenient collection of current research on music teaching and learning This comprehensive work includes sections on

arts advocacy music and medicine teacher education and studio instruction among other subjects making it an essential reference for music education programs The original Handbook of Research on Music Teaching and Learning published in 1992 with the sponsorship of the Music Educators National Conference MENC was hailed as a welcome addition to the literature on music education because it serves to provide definition and unity to a broad and complex field Choice This new companion volume again with the sponsorship of MENC explores the significant changes in music and arts education that have taken place in the last decade Notably several chapters now incorporate insights from other fields to shed light on multi cultural music education gender issues in music education and non musical outcomes of music education Other chapters offer practical information on maintaining musicians health training music teachers and evaluating music education programs Philosophical issues such as musical cognition the philosophy of research theory curriculum and educating musically are also explored in relationship to policy issues In addition to surveying the literature each chapter considers the significance of the research and provides suggestions for future study Covering a broad range of topics and addressing the issues of music education at all age levels from early childhood to motivation and self regulation this handbook is an invaluable resource for music teachers researchers and scholars

Aesthetics Carolyn Korsmeyer, 1998-11-09 Philosophers have considered questions raised by the nature of art of beauty and critical appreciation since ancient times and the discipline of aesthetics has a long tradition that stretches from Plato to the present *Musical Worlds* Philip A. Alperson, 2010-11-01 This volume reproducing a special issue of The Journal of Aesthetics and Art Criticism on The Philosophy of Music Winter 1994 with a revised introduction and two new articles is distinguished by its breadth of content diversity of approaches and clarity of argument which should make it useful for classroom teaching The topics covered include musical representation the expression of feeling in music the metaphysics of operatic speech and song musical understanding musical composition feminist music theory music and politics music and racial identity music in non Western cultures and the ontological implications of recording technology for rock music The approaches used are philosophical historical social and political feminist and ethnomusicological The book includes discussions of a great many styles and historical periods of music from ancient Greek music and music theory to instrumental and operatic music in the Western classical tradition Persian music music of the Blackfoot Indians rock and the blues and the avant garde compositions and performances of John Cage The contributors all eminent scholars in the field are Philip Alperson No l Carroll Stephen Davies Claire Detels John Andrew Fisher Lydia Goehr Peter Kivy Jerrold Levinson James Manns Bruno Nettl Jenefer Robinson Joel Rudinow G ran S rbom Francis Sparshott and Kendall Walton
