Blameless Lives

John Hamilton Davies

Blameless Lives:

Living a Principled Life Richard C. Matteson,2021-11-17 We have lost sight of the principles of life that guide us to holistic living These principles are rooted in the Bible and have not changed through the centuries They are rules without cracks essential qualities and the way people can live a dedicated life to themselves others and God They provide freedom in how to live and direction in how to treat others In every discipline industry or profession there is a language which is unique to its purpose and this is the language for living a fulfilled life It reveals to individuals families groups churches and businesses many essential principles to right living which are of inestimable value if used and can cause a life to thrive Each principle uses a story in Scripture to bring the principles to life and make easier to remember The principle remains fresh in the context of the story and brings insight into how to apply it to life today A principled life cannot be over rated It is a key element in the development of maturity in many areas of life

Life By Death Ron Hordyk,2016-01-21 I tell you the truth unless a grain of wheat falls to the ground and dies it remains only a single seed But if it dies it produces many seeds The man who loves his life will lose it while the man who hates his life in this world will keep it for eternal life John 12 24 25 When God created mankind they were innocent predisposed to neither good nor evil By creating the tree of the knowledge of good and evil God presented mankind with a choice to either live for Him or rebel against Him However mankind did not perceive that they could choose until Satan taught Eve the concept of evil God gave Adam and Eve only one command Do not eat from the tree of the knowledge of good and evil But Adam and Eve disobeyed God On that day man s spirit died the power of sin entered the world the sinful nature sprang into existence and mankind was banished into Satan s kingdom This day was the darkest day in human history In the Old Testament God promised mankind a new covenant This new covenant has given mankind a second opportunity to choose to live for God If a person will obey God then God will forgive his sins give him a new spirit and a new heart and place within him His Holy Spirit Because mankind lost their innocence they need to die to the seven areas of sinful control to become Christians Hence they must crucify their I with Christ dying to the law to the basic principles of this world to the power of sin to their sinful nature to their soul s self centeredness and to the world Many Christians are not aware that they must die to live the new life in Christ Life By Death examines why man is spiritually dead how Christians die to the seven areas of sinful control and what Christians experience in Christ Keywords Holiness Victory Brokenness Wholeness Hope Healing Rebirth Surrender Born Again And Sinful Nature

Living a Providential Life Bill Winscott,2018-06-25 Is the idea of God s providence as applied to your life a mystery to you Do you feel comfortable with your knowledge of the biblical description of Christian qualities outlined with God s providence Living a providential life is described throughout the Bible to give Christians the unmistakable way of living with the qualities God has outlined for us Let us explore the whole concept of God s providence from the grand sweep presented in the Bible We will then focus on applying the magnificent examples of the people found in scripture provided by God to our own lives Just the incredible scope
