Blessings And Curse:

Blessing or Curse Derek Prince,2006-09-01 Life's trials and triumphs can seem accidental One person may feel that life is a constant struggle in which pitfalls abound and someone seems out to get him Another may feel that every day is a gift from God with special blessings just for her That's because forces are at work in our lives the blessings of a loving God or the curses of our spiritual adversary This hugely popular classic work of Derek Prince helps readers recognize if there are curses at work in their lives and shows them how to get out from under those curses to live under God's blessings This third edition of Blessing or Curse includes an extensive new study guide for small group or individual use Blessing Or Curse Derek Prince,2000 To enjoy the benefits of God's blessings and be protected from curses we need to understand how these forces work *Bless, and Curse Not* Gary W. Grout,2020-10-23 It feels like I take one step forward two steps back Yet some people seem to move from one golden opportunity to the next Could these remarks be observations of the effects of modern day curses and blessings The Bible has much to say on the subject *Bless and Curse Not* will open your understanding to the Biblical principles of blessings and curses In it you will learn of the destructive power of generational curses hereditary curses word curses and self curses You will also learn how to change for the better the circumstances of those you love by the power of blessings Subjects covered include Curses need to be removed The cause of a curse must be removed Our responsibility in removing curses The power and authority of the believer to bless What blessings can we make Whom should we bless Identify curses operating in your life Identify your own special familial blessings Containing over three hundred pages of Scriptural curses and blessings arranged in tabular form by symptoms this book allows you to pinpoint the curses hindering you and your family and the blessings to replace them *Bless and Curse Not* by Gary W Grout is comprehensive in its coverage of the subject clear in its presentation and practical in its application to our lives *Blessings And Curses* Zacharias Taneé Fomum,2020-06-12 Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents your gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force which is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It's as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing **The**

Blessing and the Curse Jeff S. Anderson, 2014-07-07 The magical power of the spoken word is a topic that often comes up in a discussion of biblical blessings and curses What is the source of social and linguistic power behind these blessings and curses Many theologians would agree that God can and does bless but does God also curse If so what does that mean to the biblical theology of the Old Testament and the Christian church Anderson's *The Blessing and the Curse* applies speech act theory as one way to understand the performative function of blessings and curses The concept of speech acts provides a method of recognizing the potent social power of language to accomplish certain ends without drawing a hard line of distinction between word magic and religion Even though the chief concepts and practices of blessings and curses are deeply rooted in the broad cultural environment of the ancient Near East tracing specific trajectories of Old Testament blessings and curses as theological themes conveys broad inescapable implications for the biblical narrative and the Christian church

Are You for a Blessing Or for a Curse? Bolade Kingsworth, 2025-11-18 *Are You for a Blessing or for a Curse* explores one of the most overlooked yet powerful spiritual realities the unseen forces of blessings and curses affecting individuals families and entire communities Drawing from deep biblical insights such as the stories of Cain Gehazi Jacob's sons and the cursed land of Jericho this book reveals how curses originate how they operate and how they are passed down through generations It explains the role human actions ignorance sin and even spoken words play in opening doors to oppression failure sickness and repeated cycles of hardship But the message does not end with warning it gives hope Through Christ every curse can be broken His sacrifice redeems us from the curse of the law and empowers believers to walk in lasting blessing This book provides practical steps prophetic prayers and spiritual declarations designed to help readers identify confront and break curses affecting their lives families and environments With powerful testimonies real world examples and biblical truths this book equips readers to live in complete freedom and to pass blessings not curses into future generations This is more than a book It is a spiritual manual for liberation restoration and generational transformation

[Blessing and Curse in Syro-Palestinian Inscriptions of the Iron Age](#) Timothy G. Crawford, 1992 *Blessing and Curse in Syro-Palestinian Inscriptions of the Iron Age* is an examination of blessings and or curses in all published alphabetic inscriptions from Iron II 1000-586 B C E Syria Palestine Inscriptions having either blessing curse or both in general or specific forms have been collected and sorted according to the presence therein of deity names Those inscriptions which call upon Yahweh God of Israel for blessing or curse have been separated from those which call upon other deities and from those which did not contain a deity name The blessings and curses in these inscriptions have then been compared and contrasted both to each other and the Hebrew Bible in order to show what the various peoples of that area and time meant by blessing and curse and how they expressed these ideas

[Blessings And Curses](#) Zacharias Tane Fomum, 1900 Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents your

gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force that is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It s as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing 10 Curses That Block the Blessing Larry Huch,2006-07-06 Blessing or Curses It s Up to You Have you been suffering with depression family dysfunction marital unhappiness or other problems and been unable to overcome them Within the pages of this groundbreaking book Ten Curses That Block the Blessing Larry Huch shares his personal experience with a life of anger drug addiction crime and violence He shows how he broke these curses and reveals how you can Recognize the signs of a curse End cycles of abuse violence or sin Be set free from generational curses Restore your health and wealth Receive dominion what it is and how to use it Bring your children to Christ You don t have to struggle any longer Choose to revolutionize your life You can reverse the curses that block your blessings

Blessings, Curses, and Spiritual Attacks Godsword Onu,2015-02-11 All of us want blessings while we detest curses and spiritual attacks But how do blessings curses and spiritual attacks come And do we have any part to play as far as their coming is concerned Though some blessings curses and spiritual attacks come without link to what we as individuals did and do yet some of them are connected to our actions and speeches And you can bless or curse yourself Spiritual attacks are projected by the wicked spirits and their human agents The devil has no true or real blessing Even though God s Judgment does not come immediately because we are in the New Testament God does punish sins and disobedience with curses losses death and destruction Sin and disobedience will open the door for the devil in your life **How To Pass From Curse To Blessing** Derek Prince,2014 In this book Derek leads you from Shadows to Sunlight Discover the reality of Blessings and Curses the source of Curses and how to be set free *The Biblical World* William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1901 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352

The Semantics of Blessing and Cursing in Ancient Hebrew James K. Aitken,2007 Blessings and curses represent complex social and theological phenomena and challenge our linguistic and conceptual understandings of the society in which they are used This volume gathers together the semantic information for the words used in ancient Hebrew including inscriptions Ben Sira and Qumran for the field of blessing and cursing Since semantics must take into account the context in which the words are used Part 1 surveys different approaches to the understanding of blessing and cursing in Israelite religion and society and the anthropological and linguistic approaches taken in interpreting them The relevance of these approaches to a semantic study is noted and a summary of the second part of the volume is given Part 2 is a detailed presentation of the data for each word including discussion of the root morphology translations in the ancient versions position within the semantic field and scholarly literature The aim is to provide as full a treatment as possible for a semantic interpretation of the field The volume has been produced as part of the international project the Semantics of Ancient
