The Door of Judgment Stephen T. Crosby III,2002-02-22 Recent world events have caused many people to wonder about the Second Coming of Christ Will Jesus return and if so how soon How will He come What will happen before He does Many people have developed such a fascination in the Second Coming that it borders upon escapism They devour popular books devoted to giving the latest news of prophetic fulfillment For them millennial fever is rising Sadly most of these books offer only shallow and sensationalistic teaching Thousands of escape all that lies ahead There is a real need for an in depth and understandable book about the Second Coming of Jesus Christ In The Door of Judgment we examine nearly every Scripture that has to do with prophecies of the end times Each chapter has a corresponding compilation of supporting verses located in the appendix We will fit these together like an elaborate jigsaw puzzle until a beautiful and complete picture of the Second Coming appears Along the way the reader will learn the two undeniable and unmistakable signs that show us Jesus is coming back soon By the end he will gently come to the awareness that the common evangelical understanding reader will of pretribulationism is not clearly seen in the Scriptures Without being argumentative the book demonstrates the weaknesses of the dispensational approach to end time prophecy while returning us to the original historic position of the first and second century church
