

Briefly A Candle

Keith Walmsley

Briefly A Candle:

Brief Candle Wesley Hall,2003-04 Brief Candle is a humorous biographical fiction about an English professor coming to terms with a mid life crisis Jake Boswell a Victorian born in America during the Jazz Age discovers that he is deeply in love with a trailerhouse girl This comes after thirty years of good behavior and marriage to the same woman Finally at the top of the academic ladder Jake finds himself facing two enormous problems at home a wife who has become a dipsomaniac and at work an endless wave of young liberated retreads Lola once a lovely and charming companion has become a migraine disaster but even so if Heather Roberts had stayed in her trailerhouse with her two kids and her beer guzzling and guitar playing husband he would more than likely have stayed in the rut he had dug for himself Part of the blame might also be shared by the politicians in Washington who thought up the idea of paying young mothers stuck in trailerhouses to go back to college to learn something besides how to have babies

Brief Candles: McMaster, Hyland and Other One-Match

Wonders Keith Walmsley,2012-10-01 Playing in a first class match gives a cricketer a certain cachet For ever after opponents know that such and such played big cricket and will expect him to perform accordingly Even when his achievements lie elsewhere biographers and obituarists will sagely note his appearances however limited and readers will infer that the subject has a special talent for the game Nine thousand cricketers have played in just one first class match but for some their one appearance was more memorable than for others for good reasons or otherwise In 1924 Fred Hyland spent less than ten minutes on the field of play before rain washed out the game Poor Josiah Coulthurst didn t even step onto the playing area in a damp Lancashire contest in 1919 Emile McMaster s only match in South Africa in 1889 was later awarded Test match status Bob Richards playing for Essex at Leyton in 1970 didn t learn till afterwards that his solitary appearance was a first class game Nobody can now be sure who was the Wilkinson who played a match at Oxford in 1939 Some one match wonders have achieved much in their brief days in front of the cricket watching public centuries even and eight fors others have gone on to exceptional achievements in fields sporting political and military Keith Walmsley reports on the struts and frets of some players who appeared just once on the first class stage and then were heard no more

Brief Candles 2: More One-Match Wonders Keith Walmsley,2016-11-01 This second volume of Brief Candles once again looks at the lives in and out of cricket of a batch of players who flickered only briefly on the first class scene Most earn their inclusion because of an unusual achievement that they recorded during their brief careers at that level So you can read here about the five cricketers who played an innings in the 90s in their debut game and the five who shared in century partnerships on debut when batting at number 11 and yet none of them was ever picked again Others are included because of something that happened to them during their one and only first class matches like the three cricketers who were no balled for throwing on their debuts whereupon they disappeared from the first class game altogether Another two earn their appearance because of a pair of unhappy coincidences though unrelated they shared the same unusual surname and both

met their deaths in the most tragic of circumstances And finally there s the clergyman who played his only first class match when just six months short of his 60th birthday Brief Candles 2 explores the lives of these and some others who deserve to be better remembered for their unusual if very short contributions to the history of the first class game
