[In Sacred Loneliness](#) Todd Compton,2022-06-01 Plural marriage in the Nauvoo era of LDS Church history has long been a fascinating subject To understand it fully requires one to look at it from the perspective of the man who

introduced it but just as crucial is a dive into the lives of the women he married all who have their stories to tell In his 1997 award winning study *In Sacred Loneliness The Plural Wives of Joseph Smith* Todd Compton focused on the thirty three women who he could demonstrate that Smith married providing life stories of many who were well known and others who have been largely forgotten In his new work *In Sacred Loneliness The Documents* Compton returns to his subject and provides the raw materials that helped him create his original study writings composed by the women themselves This volume includes many autobiographical writings diaries and letters with Compton providing annotations and introductory material that illuminates these crucial primary sources This allows readers to take their understanding of this unique group of women to a new level and to drive home that fact that their lives go far beyond the Nauvoo experiment that forever links them to Mormonism s founding prophet [Brigham Young: Prophet, Statesman, Pioneer](#) Church of Jesus Christ of Latter-day Saints,1968 **Brigham Young** Leonard J. Arrington,2012-06-12 Brigham Young comes to life in this superlative biography that presents him as a Mormon leader a business genius a family man a political organizer and a pioneer of the West Drawing on a vast range of sources including documents personal diaries and private correspondence Leonard J Arrington brings Young to life as a towering yet fully human figure the remarkable captain of his people and his church for thirty years who combined piety and the pursuit of power to leave an indelible stamp on Mormon society and the culture of the Western frontier From polygamy to the Mountain Meadows Massacre to the attempted preservation of Young s Great Basin Kingdom we are given a fresh understanding of the controversies that plagued Young in his contentious relations with the federal government Brigham Young draws its subject out of the marginal place in history to which the conventional wisdom has assigned him and sets him squarely in the American mainstream a figure of abiding influence in our society to this day [Faith Crisis, Volume 1: We Were NOT Betrayed!](#) L. Hannah Stoddard,James F. Stoddard III,2020-04-06 After working with thousands of struggling members of The Church of Jesus Christ of Latter day Saints over many years the authors decided to write a book offering hope and answers for those struggling with faith crisis Unbeknownst to the general Church membership the 20th century would witness an organized effort to rewrite Latter day Saint history from within its own ranks In a head to head behind the scenes battle traditional leaders resisted intellectual progressives working in the Church History Department and at BYU who claimed some forty years ago that it would take a generation to re educate the Church membership Where are we in this attempted re education What is the New Mormon History and how does it personally affect you and your family Join us as we explore newly available diaries review old books and bring untold history into the light Progressives claim the Church covered up its history for nearly 200 years Is the current faith crisis stemming from unmasked history or new interpretations Why did New Mormon Historians insist Hofmann s forgeries were legitimate even when investigators provided convincing evidence to them of the hoax How did Bruce R McConkie know Hofmann s Joseph Smith III blessing was a fake despite authentication by document experts and pressure by historians calling him

incompetent for questioning Who were the Swearing Elders How did this group of progressive Latter day Saints reshape the identity of Mormonism Why did Carol Lynn Pearson and Leonard Arrington share cards that read History is on our side as long as we can control the historians Leonard Arrington shared that an invisible higher power commissioned him to rewrite or reconstruct our dominant narrative of the Restoration Did God want our history changed Why did Leonard Arrington say the First Vision Nephites and gold plates were part of the Mormon myth Why did Leonard Arrington note that if he were honest about his beliefs not many Latter day Saints would want him to teach their children How did this affect his career as Church Historian and later at BYU Progressives working in the Church History Department and at BYU claimed 40 years ago it would take a generation to re educate the Church Where are we in this re education The research and findings in this volume are truly history altering Using newly released documents combined with deep knowledge of Church History the Stoddards are bringing to light what could be termed a soft coup d tat of the Church s scriptures and prophets by progressive historians bent on altering its history Hold tight to your faith in the history held by the church for over 150 years and the teachings of our prophets as you discover how deep this attempted takeover has infiltrated and altered our sacred history Rod Meldrum researcher best selling Latter day Saint author international lecturer Years ago we stopped going to church Suddenly God awakened me and brought me back into the fold As I hungered and learned more about the restoration it was upsetting to hear things being said about Joseph that I KNEW were not true I hit a major faith crisis Right as I was about to leave the church and follow another sect that follows the teachings of the Book of Mormon I read the Stoddard s Faith Crisis book This book along with promptings and teachings from the spirit helped me navigate through many questions This book only helped grow my testimony of the truthfulness of the restoration of the gospel and of the church of Jesus Christ of Latter Day Saints I now stand strong in the Faith and know that I am in the only true church I m so thankful for the Joseph Smith Foundation and the many hours put in toward helping others stay strong in the Church of Jesus Christ of Latter Day Saints Latter day Saint mother of six
