Bright Messengers:

Bright Messengers Gentry Lee, 1995 The Bishop of Mars a woman is kidnaped by hostile elements along with an agnostic German engineer and they are ordered to make love The woman a nun refuses to break her vow of chastity and the hostile elements resort to force By the co author of Rama Revealed The Bright Messenger Algernon Blackwood, 2017-11-26 Julian LeVallon born and raised alone in the Jura Mountains is referred to psychiatrist Dr Edward Fillery for care in London But is LeVallon merely a schizophrenic with a secondary personality N H non human or is he really an Elemental Being a bright messenger who brings perhaps a new age of human evolution *The Ministry of the Word, Vol. 21, No. 02* Various Authors, 2017-02-01 This issue of The Ministry of the Word contains the nine messages given during the International Training for Elders and Responsible Ones in Gold Coast Australia on October 6 through 8 2016 The general subject of this series of messages is Returning to the Orthodoxy of the Church We urgently need to come back to the orthodoxy of the apostolic church The orthodoxy of the church is the church according to the teaching and practice of the apostles What is orthodox is the New Testament apostles vision revelation teaching practice direction and ministry In the mid 1940s Watchman Nee gave the messages published in The Orthodoxy of the Church In the preface to the English edition Witness Lee writes What we urgently need today is to come back to the orthodoxy of the beginning and stand firmly on the ground of locality The Collected Works of Watchman Nee vol 47 p 6 In The Orthodoxy of the Church Watchman Nee is one with the Lord to identify what is not normal and what is degradation he also identifies what is the orthodoxy of the church the apostolic church as revealed in the New Testament In this issue we will see from Revelation 2 and 3 that only the church in Philadelphia returned to the orthodoxy of the church We may already have some knowledge about this subject However we need to be in fear and trembling lest we would have confidence in our knowledge and understanding and think that there is nothing new to see gain or experience To have such an attitude is to have the spirit of the Laodiceans who boasted and said I am wealthy and have become rich and have need of nothing Rev 3 17 In principle the elders and responsible brothers are the messengers representing the church are responsible for the church have a heart to care for the church and recognize that they are under the Lord s direct authority concerning the church The Spirit speaks to the churches the Son of Man however speaks to the messengers The entire book of Revelation is the revelation of the person of Jesus Christ and not the revelation of locusts beasts or so many other things It is the revelation of Jesus Christ through Jesus Christ and concerning Jesus Christ If we are to return to the orthodoxy of the church we cannot merely return to teachings and practices we must return by way of the person Jesus Christ the One who knows the situation of every local church and of every messenger of every local church If we have an increasing vision of what is most on God s heart for His eternal satisfaction the bride the wife the New Jerusalem we will be beside ourselves in the Spirit In the first three chapters of Revelation we can see how the Lord cares for the churches Even in His awesome majesty He must judge them in order to gain them In the final two chapters the Lord

Jesus sent His angel for the particular purpose that all His dear churches would see the final vision of 22 16 From the beginning to the end the Lord cares for the churches This word should at least give us a heart to see what John saw and to treasure and care for it The Reports and Announcements section at the end of this issue contains the winter 2016 mass distribution update a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe
