Britains Defence Dilemma William Jackson,1990 **Britain's Defence Dilemma** William Godfrey Fothergill Jackson,1990 Britain is an off shore island of the US and Europe prizing independence yet maintaining the strongest possible links with both Based on many years in Whitehall and interviews with key military personnel and civil servants General Sir William Jackson reveals the formation of British defence policy from the Suez fiasco of 1957 through to the Falklands campaign the shifting strategic balances of the nuclear world and the decline of the communist system today This is an authoritative challenging insider s view of British defence policy its development and future role Defence Under Thatcher A. Dorman,2002-03-07 Drawing upon a wide range of interviews with many of the key actors Andrew Dorman examines how defence policy was formulated and implemented during the premiership of Margaret Thatcher This period witnessed major transformations in international and domestic politics with defence emerging from its traditional postwar position of relative insignificance to become one of the key issues at the 1983 and 1987 general elections Dorman provides a new understanding of policymaking by analysing defence policy in terms of three constituent parts declaratory policy military strategy and procurement policy **Britain and Defence 1945-2000** Stuart Croft,Peter Dorman,2014-06-06 This text provides a concise thematic introduction to the evolution of British defence policy since the end of the second world war The Defense Policies of Nations Douglas J. Murray,Paul R. Viotti,1994 Now in its third edition The Defense Policies of Nations has been thoroughly updated to take into account the dramatic developments of recent years the dissolution of the Soviet Union the resurgence of East Asian powers the emergence of newly independent nations in Eastern Europe the continuing instability of the Middle East and the growing importance of third world nations in global security matters For those dealing with national defense issues on a daily basis or even for those interested in the subject because of its current relevance The Defense Policy of Nations is must reading Gen Theodore J Conway Military Review American Academy of Political and Social Science Research Handbook on the Arms Trade Andrew T.H. Tan,2020-12-25 This comprehensive Research Handbook examines the key drivers of the arms trade mapping the main trends in Asia Europe the Middle East Africa and Latin America It also explores the principal defence markets internationally including the US China India Russia and the UK in greater detail Transforming to Effects-based Operations Andrew M. Dorman,2008 The author examines the extent to which the United Kingdom UK has transitioned to effects based operations to ascertain 1 Areas where the U S Army could draw lessons from UK policies 2 Areas where the U S Army and the British Ministry of Defence could develop integrated or complementary approaches and doctrines towards transformation for future alliance coalition operations and 3 Implications for the U S Army for working with the UK This monograph is subdivided into four parts Section 1 is a review of the evolution of British defence policy since the end of the Cold War and evaluates the degree to which it has adopted an effects based approach Section 2 examines the British operational experience since the end of the Cold War including an analysis of the lessons learned and its

experiences of working with allies Section 3 analyses the UK s capability development through its doctrine and acquisition strategies Section 4 evaluates the implications of these findings for the U S Army and makes 17 main recommendations

Air University Library Index to Military Periodicals ,1992 *The Army Quarterly and Defence Journal* ,1992 **The Future of Transatlantic Relations** Andrew Dorman,Joyce Kaufman,2011 This contributed volume provides a valuable comparative examination of the state of transatlantic relations The comparative approach utilized highlights the often understudied differences in perception and policy that exist across European and North American states towards the idea and practice of the transatlantic relationship *Anglo-Australian Relations and the 'turn to Europe', 1961-1972* Andrea Benvenuti,2008 This book examines Anglo Australian relations against the background of the revision of Britain s external policies and explores the radical changes that took place during the 1960s addressing the issue of why the ties of empire which had once bound Australia and Britain became practically inconsequential by the early 1970s Drawing on a broad range of British and Australian archival sources the author charts how Britain s reorientation towards Europe gradually but inexorably loosened these historic ties BOOK JACKET *Whitaker's Book List* ,1991 **A Bibliography of Military and Political Aspects of the Malayan Emergency, the Confrontation with Indonesia, and the Brunei Revolt** Justin J. Corfield,2003 The Malayan Emergency the confrontation with Indonesia and the Brunei Revolt are fundamental to an understanding of Southeast Asia during the 20th century This bibliography brings together 4575 sources which should provide useful information for scholars researching these developments and Southeast Asian history in general Sources include books theses newspaper and magazine articles and unpublished manuscripts *The International Year Book and Statesmen's Who's who* ,1996 **The Internal Fabric of Western Security** Gregory Flynn,Josef Joffe,1981 **History Today** Peter Quennell,1990 **The Cumulative Book Index** ,1991 A world list of books in the English language **The British National Bibliography** Arthur James Wells,1970 **Dilemmas of Appeasement** Gaines Post,1993 This distinguished book offers fresh perspectives on British appeasement grand strategy and policymaking in a crucial and much debated period of history Innovative in both his interpretation and his method Gaines Post Jr reexamines how British leaders planned foreign policy and imperial defense as they faced the increasing likelihood of war with the dictatorial regimes of Germany Italy and Japan He clarifies the ways in which the dynamics of the machinery of government affected the choice of policies delimited the management of crises and restricted the pace of rearmament Post provides a novel and intricate synthesis of what we know about British foreign policy in the 1930s rearmament deterrence decisionmaking and the question of timing Analyzing the Ethiopian and Rhineland crises as case studies he shows how they defeated British efforts to develop a comprehensive strategy of conventional and extended deterrence London s unsuccessful attempts to deter Hitler and Mussolini he demonstrates were frustrated by confusion in the decisionmaking machinery of government by conflicting notions of how to buy time by unpredictable international crises and by the plans of Neville Chamberlain for correlating

airpower economic stability at home and conciliation overseas Challenging the generally accepted interpretation of British grand strategy in the 1930s Dilemmas of Appeasement will be important reading for historians especially of modern Britain and Europe political scientists and defense studies specialists **Books in Print** ,1994
